SECTION 2
Overview of Equipment

2. OVERVIEW OF EQUIPMENT

Motorola is pleased to propose a wide array of equipment to meet the needs of the State of Arizona as well as the members of the State Purchasing Cooperative. Since the 1999 State Procurement RFP AD000012, Motorola has expanded our line of Equipment for not only our Mission Critical Users (Public Safety, Emergency Management & Corrections) and also added new and alternate Equipment for our Government & Enterprise Users (Public Works, Transportation, Hospitals, and Education) to keep pace with the changing environment in Arizona. Motorola's Overview of Equipment depicts the many models of Equipment with a photo for quick reference, highlights and availability within the frequency bands. For more information about each proposed radio please refer to the Specifications, Additional Pricing Information, Complete Pricing Information.

This Section is outlined in the Groups of Equipment as related to the RFP Specifications from 1 – 8 and also includes a Group 9 as related to Accessories, Parts and Related Equipment.

2.1 ANALOG & DIGITAL VEHICULAR MOUNTED MOBILE RADIO EQUIPMENT

Motorola offers many mobile radios is trunk and dash mount for VHF, UHF, and 700/800 MHz trunked and conventional, analog and digital radio configurations.

Proposed Mobile Radio Models

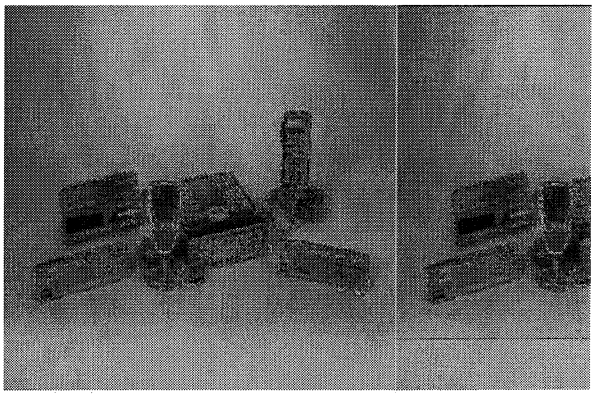
2.1.1 XTL SERIES (5000/2500/1500)



Highlights

The XTL SERIES (5000/2500/1500) is for radio users who require high performance, quality and reliability in their daily communications. The XTL spans the Tiering Categories (Top, Mid, Lower Mid Line) and is available with less expensive control heads such as the W3 and W5 that comply with the Specifications. Motorola has standardized on the W7 for paging operations between Task Force Members within the State of Arizona.

Available

The XTL SERIES mobile radio is capable of the following: ASTRO 25 Digital Trunking, ASTRO Analog and Digital Trunking, SmartZone and SMARTNET Trunking and Analog and Digital Conventional. The XTL Series including the 5000, 2500, and 1500 is available in all bands; VHF, UHF and 700/800 MHz. The XTL1500 is pending FCC Type Acceptance at the time of Proposal submission.

2.1.2 ASTRO Digital Spectra

Highlights

The ASTRO Digital Spectra is a proven, versatile radio with configurations for vehicles, motorcycles and desktop configurations. The ASTRO Digital Spectra is a workhorse and has been in the Arizona Public Safety vehicles for over 10 years for

Analog & Digital Conventional, SMARTNET, SmartZone and ASTRO 25 Trunking users.

Available

The ASTRO Digital Spectra is available in VHF, UHF and 800 MHz bands.

2.1.3 ASTRO Spectra Plus

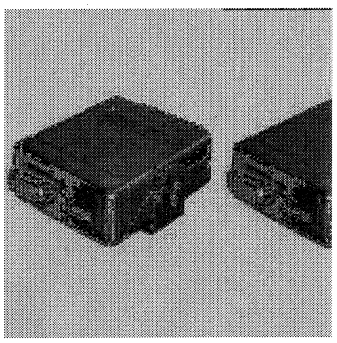
Highlights

The ASTRO Spectra Plus (ASP) improved on the ASTRO Spectra line of mobile radios and is also offered in various configurations including Analog & Digital Conventional, SMARTNET, SmartZone and ASTRO 25 Trunking users. Please note the ASTRO Spectra Plus has been replaced by the XTL Series and Motorola is offering a Last Time Buy on the ASP Series in 2005.

Available

The ASTRO Spectra Plus is available in VHF, UHF and 800 MHz bands.

2.1.4 VRS 750 Vehicular Repeater



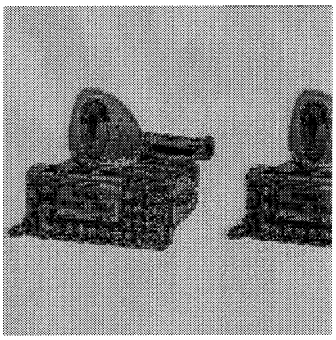
Highlights

The VRS 750 is a mobile radio system component that provides on-site repeater capability between a portable radio and a base station when used in combination with a mobile radio. It is designed to interface with an ASTRO mobile radio, transmitting and receiving clear analog transmissions.

Available

Can support the ASTRO Spectra mobile radio in addition to analog, and 9600 baud Trunking signaling types.

2.1.5 MCS 2000



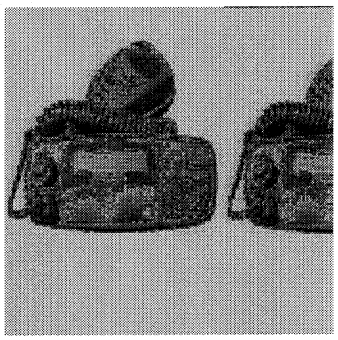
Highlights

The MCS 2000 is a full-featured mobile analog radio with all of Motorola's best features packed into a compact and lightweight model.

Available

The MCS 2000 is available in VHF, 800MHz and UHF. The MCS 2000 is available for Analog Trunking and Conventional operation.

2.1.6 CDM SERIES (1250/750)



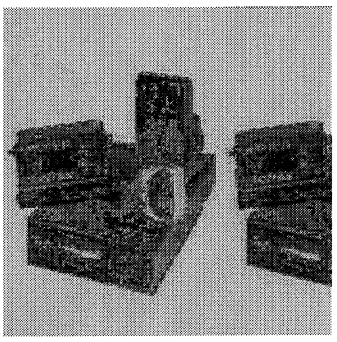
Highlights

The flexible CDM SERIES can readily expand to meet rapidly changing business needs for analog operation. Motorola's unique X-Pand™ audio enhancement and a powerful front-projecting speaker ensure superb sound clarity, even in noisy environments.

Available

The CDM SERIES is available in VHF and UHF bands.

2.1.7 MaraTrac



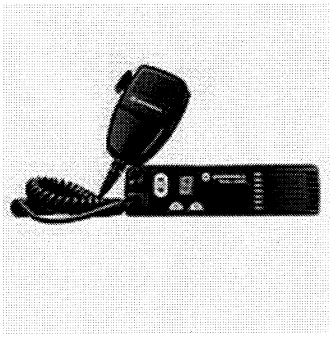
Highlights

The MaraTrac mobile radio offers an excellent low-cost alternative for wide area systems in rugged analog environments. This is a high power mobile that takes you back to the basics with simple controls, flexible field programming, and reliable communications.

Available

The MaraTrac is available in the VHF band.

2.1.8 CM SERIES 300/200



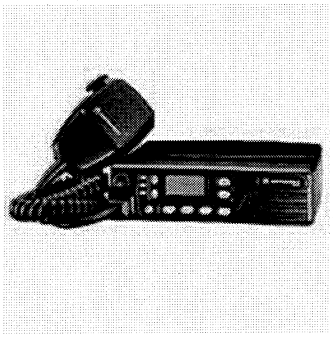
Highlights

Great care was taken in the design process of the CM SERIES to ensure ruggedness, reliability, ease of use and functionality. The CM comes standard with a powerful internal 4-watt speaker is forward-facing for superior clarity, and three color LED indicators show visible feedback of transmit, scan and monitor status. An added External Loud Speaker was incorporated in the configuration as requested.

Available

The CM SERIES is available in both analog VHF and UHF bands.

2.1.9 GTX SERIES Mobile



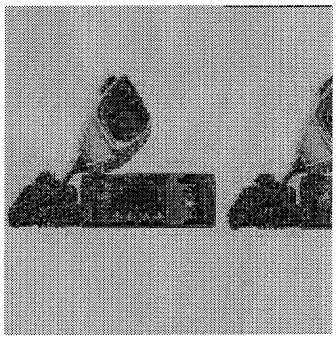
Highlights

Built to perform in demanding situations, the GTX Privacy Plus™ mobile allows you to place and receive calls with the touch of a button to help ensure others cannot listen in. The GTX Privacy Plus™ or LTR® mobile LTR® incorporates both conventional and trunking capabilities – offering you a wider calling range, faster channel access, greater privacy, and higher user and talkgroup capacity.

Available

The GTX Privacy Plus™ & GTX LTR® are available in 800 MHz band for analog trunking and conventional operation.

2.1.10 PM400



Highlights

The PM400 was designed with ruggedness, reliability, ease of use and functionality in mind. It offers the most features and channels of any mobile in our Commercial Series and incorporates LTR® trunking capabilities if required.

Available

The PM400 is available in both analog VHF and UHF bands.

2.2 MOBILE DATA RADIO VEHICULAR MOUNTED EQUIPMENT

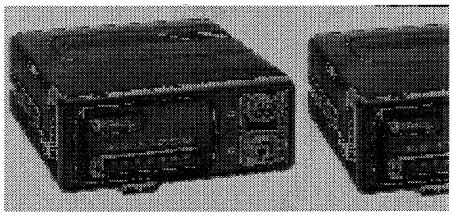
Motorola's Mission Critical Mobile Data offering is available in the Private DataTAC and new High Performance Data line. The Equipment below complies with the specification as described in the Point by Point responses and offers UHF or 700/800 MHz mobile digital data radios.

Proposed Mobile Data Radio Models

VRM850 DataTAC	Internal DataTAC Modem w ML900	HPD1000

*Denotes: * Currently on Motorola/Arizona State Contract AD000012-10*
^ Prequalified by DPS Telecom/State Procurement in AD050017

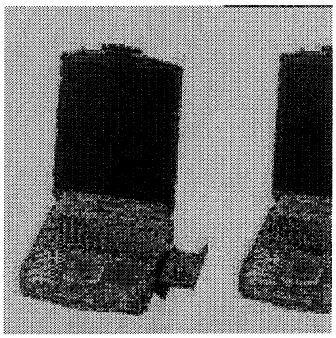
2.2.1 Private DataTAC VRM850



Highlights

Private DataTAC is a platform that supports wireless networking for Microsoft Windows® -- on laptop computers, palm computers, vehicle-mounted data terminals, and other devices. The VRM850 is proven for Arizona and is deployed throughout the State on UHF and 800MHz Motorola DataTAC networks.

2.2.2 Internal Private DataTAC Modem w ML900



Highlights

The Internal Private DataTAC is a high performance wireless modem developed for Motorola's ML900. The Internal Private DataTAC Modem proposed is available only

integrated into the Motorola Laptop Computer ML900. Other Internal Private DataTAC Modems pending include the integrated ML850 (Pending Ship Acceptance).

Available

The Internal Modem enables access to Private DataTAC wireless networks to send and receive messages, through the use of Motorola's Laptop Computer ML900.

2.2.3 ASTRO 25 HPD1000 (Offer Pending FCC Type Acceptance)

The ASTRO 25 HPD1000 High Performance Data Modem is an innovative new wireless product that delivers rapid mobile intelligence with greater speed and more efficient spectrum use. Preliminary Information is only available at this time and our offer is pending FCC Type Acceptance. Motorola would be pleased to discuss this Product in further detail if requested.

2.3 DESK-TOP ANALOG & DIGITAL BASE STATION RADIO EQUIPMENT

Motorola offers both Consolette, Control Stations and Desktops for VHF, UHF, and 700/800 MHz conventional & trunked configurations.

Proposed Desktop/Consolette Radio Models

ASTRO Consolette * ^	**GR1225 ***	**XTL Series Control Station**

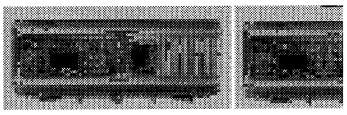
The GR1225 is also depicted in Group 6.0 and has been evaluated for VHF &UHF Base Stations.

2.3.1 ASTRO Digital Consolette



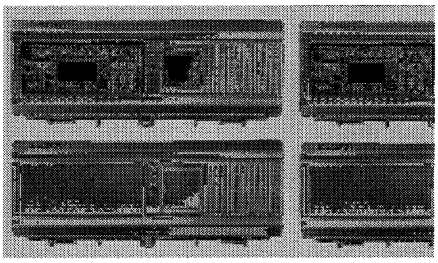
Highlights

Motorola's ASTRO Consolette is a compact desktop console for radio dispatch operations in multiple modes of operation.

Available

Operates in analog and ASTRO digital clear and encrypted modes. Available in VHF, UHF and 800MHz bands.

2.3.2 XTL5000 Consolette



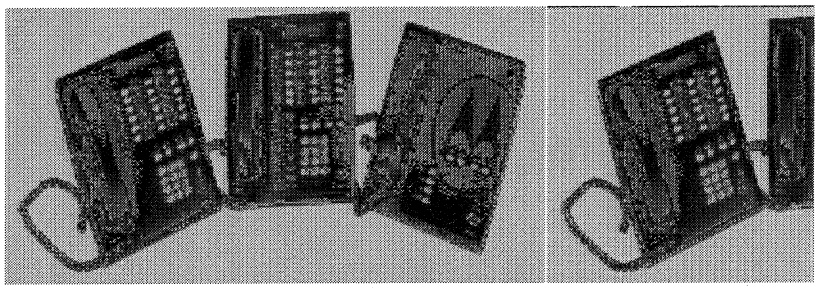
Highlights

Motorola's XTL5000 Consolette provides an updated XTL5000 radio in the robust compact desktop console for radio dispatch operations in all modes and across all bands.

Available

The XTL5000 Consolette is available for analog and digital conventional and trunking including SMARTNET, SmartZone, ASTRO, ASTRO 25. Available in VHF, UHF and 700/800MHz bands.

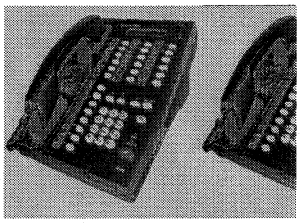
2.3.3 MC Series (1000, 2000, 2500, 3000)



Highlights

The MC1000/2000 Deskset allows remote control access to the basic functions of a single base station, repeater or radio in a conventional system. The MC2500 Deskset allows remote control access to the functions of up to four analog base stations, repeaters or control stations in a conventional system.

The MC3000 as pictured in conjunction with the appropriate control station or base station works in both conventional and trunked analog systems.



Available

All MC Series Controllers are compatible with conventional, tone, DC and E & M conventional radio systems and also LTR trunking systems. For the MC3000, up to 31 of these units can be operated in parallel.

2.4 ANALOG & DIGITAL PERSONAL/PORTABLE RADIO EQUIPMENT

Motorola has many Portable radios for the State of Arizona of various types; VHF, UHF, 800MHz and 700 MHz in both conventional and trunked configurations. Motorola's Mission Critical XTS Series is used throughout Arizona for Police, Fire, Sheriff, and Emergency Management. This year, Motorola expands our Portable Equipment for our Government and Enterprise Users for applications in Public Works, Transportation, Hospitals and Education.

Proposed Portable Radio Models

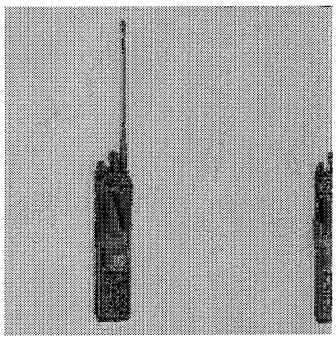
^ Prequalified by DPS Telecom/State Procurement in AD050017

2.4.1 XTS 5000



Highlights

The XTS 5000 is a robust rugged Mission Critical radio supporting P25 ASTRO 25 trunking, SmartZone, SMARTNET, Analog and Digital Conventional system configurations.

Available

The XTS 5000 is available on VHF, UHF, 700/800MHz.

2.4.2 XTS 3000

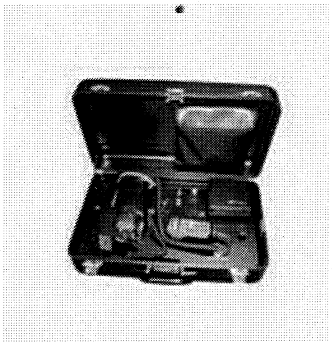
Highlights

The XTS 3000 radio is a rugged, flexible, reconfigurable radio that supports Project 25 networks in conventional and trunked configurations.

Available

The XTS 3000 is available in multiple bands, VHF, UHF and 800MHz with multiple displays to meet the demand of most situations.

2.4.3 XTVA Transportable Base Station



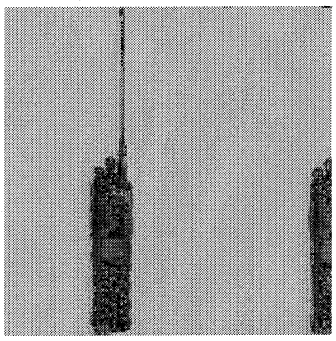
Highlights

"Jump and Run" communications; the XTVA Transportable base station is a lightweight, rugged, and rapidly deployable package. It features the versatility of a transportable base station with the power of a fixed station.

Available

Features an auto-switchable 85-250 VAC (46-61 Hz) power supply. Also includes a 12 VDC fused cigarette lighter power cable. Available for XTS 5000/3000 Model II and IIIs for all bands supported by the radio.

2.4.4 XTS 2500



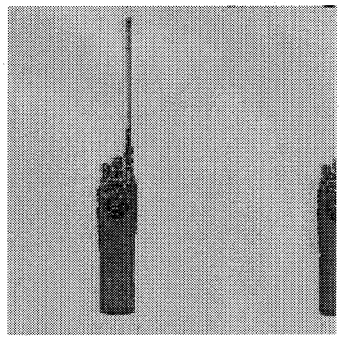
Highlights

The XTS 2500 is a full-featured digital radio to support Project 25 standards. It operates on local and wide area networks.

Available

The XTS 2500 is available on VHF, UHF(1), UHF(2), and 700/800MHz.

XTS 1500



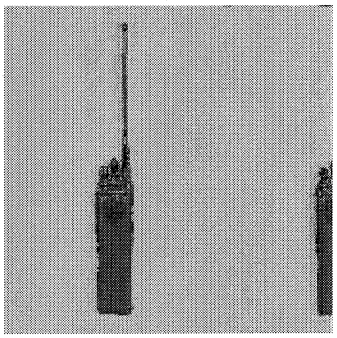
Highlights

The XTS 1500 is a cost effective and compact digital radio solution for public works, hospitals, and utilities.

Available

The XTS 1500 is available in VHF, UHF(1), UHF(2) and 700/800MHz.

2.4.5 MT 1500



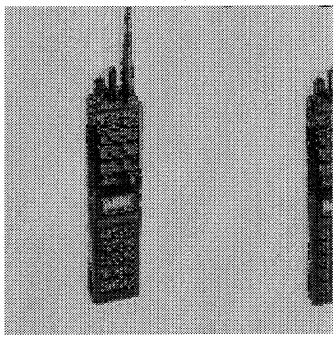
Highlights

Motorola's MT 1500 is a power-packed analog radio that is rich in features and high in quality. The MT1500 supports Motorola Analog SMARTNET, SmartZone Type II/IIi Trunking and Analog Conventional.

Available

The MT1500 is available in VHF (136–174), UHF 1 (380–470), UHF 2 (450–520) and 800MHz.

MTS2000



Highlights

The MTS 2000 radio is a full featured analog radio that is able to be changed through Flashport programming.

Available

The MTS 2000 is available Analog Conventional, SMARTNET, SmartZone Trunking and in a wide range of frequencies: VHF, UHF, 800MHz and 900MHz.

2.4.6 HT1250/LS/LS+

Highlights

With its large LCD display, the HT1250 offers a full menu of advanced signaling features to increase productivity and efficiency in growing organizations. Users can store information such as call lists and unique radio IDs to page or call selective radios or groups.

Available

The HT1250 is an analog radio available in VHF, and UHF. HT1250•LS+ offers innovative PassPort ® trunking and is available in UHF and 700MHz bands. The HT1250•LS is a smart choice for LTR® trunking and available in the VHF band.

2.4.7 HT750

Highlights

The HT750 is the affordable solution for professionals who require a rugged analog reliable radio. It offers flexible programming options and provides clean, crisp audio quality in most environments.

Available

The HT750 is available in VHF and UHF.

2.4.8 CP100

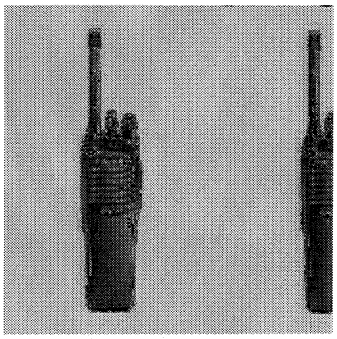
Highlights

The CP100 two-way radio is the perfect choice for school districts and State agencies seeking clear, reliable analog performance at a very economical price. Its rugged, ergonomic design makes the CP100 durable enough to withstand hard conditions and easy to hold and carry.

Available

The CP100 is available in both VHF and UHF bands.

2.4.9 CP150



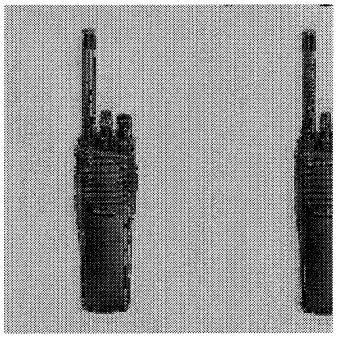
Highlights

The CP150 delivers the quality features you want in a analog radio at a very competitive price. A range of battery choices along with rapid recharging capabilities help ensure your radio is ready when you are. Programmable option buttons make it easy to customize the CP150 with your choice of features.

Available

The CP150 is available in both VHF and UHF bands.

2.4.10 CP200



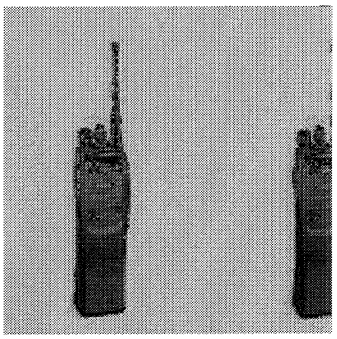
Highlights

The CP200 delivers the quality features you want at a very competitive price. It offers the increased communication flexibility of push-to-talk radio ID and selective call as well as programmable option buttons so you can customize your radio.

Available

The CP200 is available in both analog VHF and UHF bands.

2.4.11 MTX850



Highlights

Designed to operate on Motorola's exclusive Type II and IIi Privacy Plus™ analog trunking systems, the MTX850 can enhance your interactive resources by providing a wider calling range, faster channel access, greater privacy, and higher user and talkgroup capacity.

Available

The MTX850 is available in the 800 MHz band, the MXT850 LS also supports 800 MHz LTR® systems. Both radios support analog trunking and conventional operation.

2.4.12 PR400

Highlights

The PR400 was designed with ruggedness, reliability, ease of use and functionality in mind. It operates on either analog Conventional or LTR® trunked systems and is ideal for small agencies that need reliable communication that delivers every time.

Available

The PR400 is available in both VHF and UHF bands.

2.5 ANALOG & DIGITAL MOTORCYCLE REAR-MOUNT RADIOS

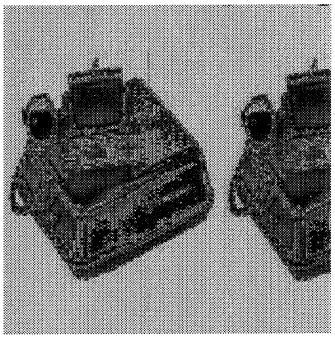
Motorola offers two proven motorcycle radios for use in Arizona's radio communications systems to meet the extreme heat conditions and sunlight requirements.

Proposed Motorcycle Radio Models

XTL5000 M/C * **ASTRO Spectra M/C * ^**

*Denotes: * Currently on Motorola/Arizona State Contract AD000012-10*
^ Prequalified by DPS Telecom/State Procurement in AD050017

2.5.1 Motorcycle Radios



Highlights

Motorola offers both the ASTRO Spectra and XTL5000 motorcycle radios to meet your agency's needs. Whatever your network configuration, we can help you find the mobile radios that will work best for you.

Available

The ASTRO Spectra Motorcycle radio is available for analog and digital conventional and trunking in VHF, UHF and 800MHz. The XTL5000 Motorcycle radio is available in all modes and across all bands, VHF, UHF, 700/800MHz.

2.6 BASE/MOBILE RELAY STATION FIXED RADIO EQUIPMENT

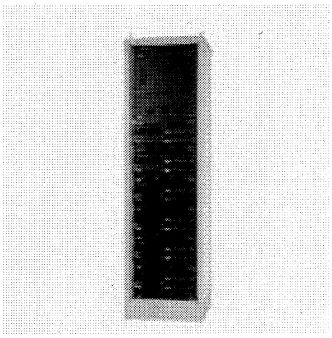
Motorola offers many Base Stations/Repeater and Receiver combinations for use in Arizona communications systems.

Proposed Base/Fixed Station Radio Models

STR 3000	**MTR2000 * ^**	**GR1225 ***
Quantar * ^		**CDR500/700 (CDM Radio)**
Quantar DBS		
PR3500 (Suitcase Radio)		

*Denotes: * Currently on Motorola/Arizona State Contract AD000012-10*
^ Prequalified by DPS Telecom/State Procurement in AD050017

2.6.1 STR3000



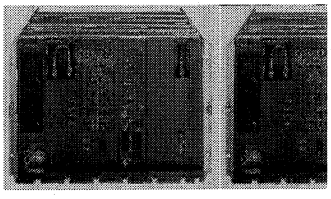
Highlights

Motorola's STR3000 Base Station is a combinational unit for high speed, reliable voice and data communications in 700 and 800 MHz ASTRO 25 systems.

Available

STR3000 base station complies with Project 25 interoperability standards in 700 MHz and 800 MHz.

2.6.2 Quantar



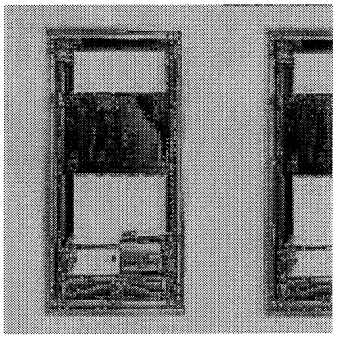
Highlights

Motorola's Quantar Base Station/Repeater supports base/repeater and receiver configurations in SMARTNET, SmartZone and IntelliRepeater operation.

Available

The Quantar Family of Base Stations/Repeaters provide Analog & Digital Conventional, Analog and Digital Trunked communications for VHF, UHF and 800 MHz.

2.6.3 Quantar DBS



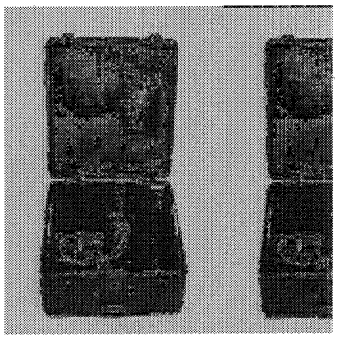
Highlights

Motorola's Quantar Data Base Station (DBS) Repeater Supports high speed (RDLAP 9,600 and 19,200 baud) reliable data communications in UHF & 800 MHz systems.

Available

Radio Signal Strength Information (RSSI) Option allows the network controller to choose the optimum transmitter to communicate to a specific terminal. The Quantar DBS is available in UHF and 800MHz configurations.

2.6.4 PDR 3500 (Quantar Radio)



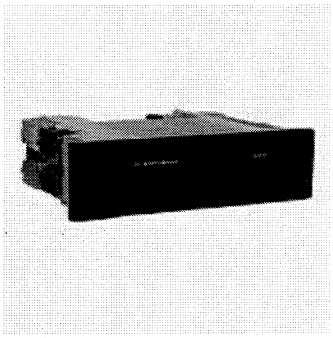
Highlights

Motorola's PDR 3500 is a TransPortable Digital Repeater/Base Station that provides versatile Analog and Digital Conventional communications in a rapidly deployable and compact suitcase package.

Available

The PDR 3500 is a Quantar product platform available in VHF, UHF and 800MHz bands with power output of 5 – 30W.

2.6.5 MTR2000



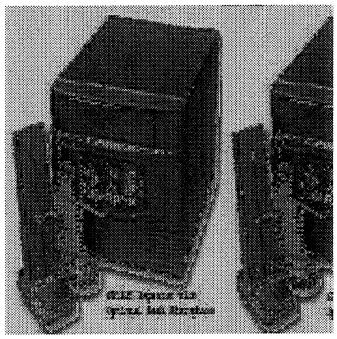
Highlights

Motorola's MTR2000 Station/Repeater/Receiver is a continuous duty, prepackaged analog station for optimization of space requirements. for use on both conventional and trunking systems in the VHF, UHF, and 800 and 900 MHz bands.

Available

The MTR2000 is for use on both analog conventional and trunking systems in the VHF, UHF, and 800 MHz bands.

2.6.6 GR1225



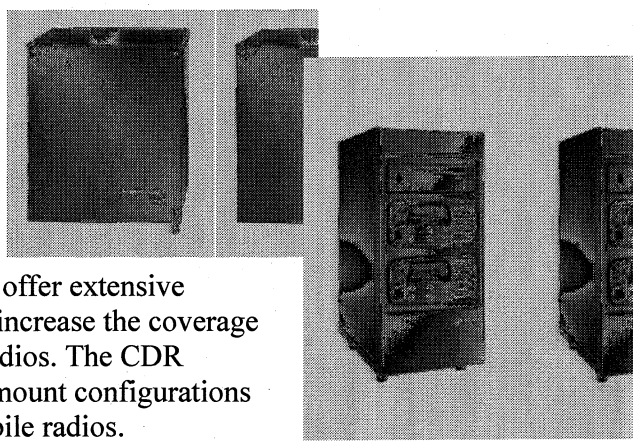
Highlights

The GR1225 has 16 programmable channels, you can talk on either a 25 or a 12.5 kHz channel allowing a seamless, economical transition to the narrower bandwidth.

Available

GR1225 makes a perfect complement to the 1225 Series Two-Way Radios. Supports both VHF and UHF bands.

2.6.7 CDR 500/700



Highlights

Both the CDR500 and 700 repeaters offer extensive functionality and power to help you increase the coverage range of your mobile and portable radios. The CDR Repeaters offer wall mount or desk mount configurations of the CDM 750 and CDM1250 mobile radios.

Available

The CRD500 and 700 suit a wide variety of applications and are available in VHF and UHF bands.

2.7 COMMUNICATIONS SERVICE MONITORS

Motorola is pleased to propose the General Dynamics R2600 Series of Communications Service Monitors for use in the maintenance of the State of Arizona radio communications systems. Motorola previously had the R2500 Series on State Contract prior to selling the Government and Space Technology Group, Test Equipment Division to General Dynamics in 2001.

Proposed Communication Service Monitor Models

General Dynamics R2625 General Dynamics R2670 ^ General Dynamics R2590

*Denotes: * Currently on Motorola/Arizona State Contract AD000012-10*
^ Prequalified by DPS Telecom/State Procurement in AD050017

2.7.1 R2600 Series

Highlights

Motorola carries a full range of Communication Service Monitors from General Dynamics to ensure that your communications system is in optimum condition, whether you're on the bench or in the field.

Available

If your service needs are focused on conventional two-way and paging products, or on more sophisticated trunking and voice encryption technology, Motorola has the R2625, R2670B and R2590 for nearly every frequency band and trunking protocol.

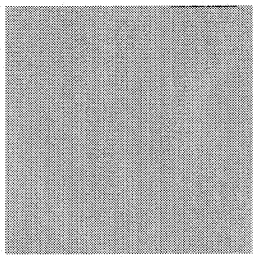
2.8 FIXED LINK BASE RADIOS

Proposed Fixed Link Base Radio Models

Motorola Canopy

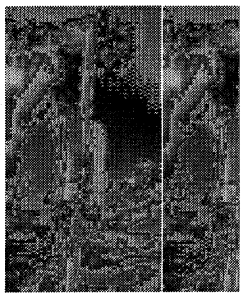
*Denotes: * Currently on Motorola/Arizona State Contract AD000012-10*
^ Prequalified by DPS Telecom/State Procurement in AD050017

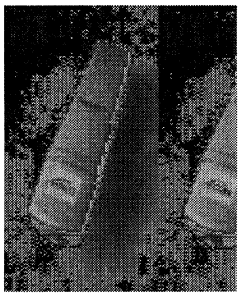
2.8.1 Canopy™



Highlights

A Canopy™ System is based on a wireless broadband technology that provides for high-speed Internet access and connectivity for specialized applications such as T1 redundancy. The Canopy™ solution also delivers outstanding performance using a modulation scheme that improves the quality of data delivery and mitigates interference from other systems.





Available

Motorola's Canopy™ platform offers security with over-the-air encryption and supports 900 MHz, 2.4GHz, 5.2 GHz, and 5.7 GHz bands.

2.9 ACCESSORIES, INCLUDING PAGERS, RELATED RADIO EQUIPMENT

Motorola Accessories **Motorola Parts** **Motorola Pagers**

*Denotes: * Currently on Motorola/Arizona State Contract AD000012-10*
^ Prequalified by DPS Telecom/State Procurement in AD050017

Two-Way Radios require Accessories, Parts and related radio equipment to keep State Agencies operational without the burden of additional contracts and separate Purchase Orders. Motorola has provided a Complete Response to this Solicitation and recognizes that each accessory and combinations would be cost prohibitive to configure and price per line item. To this end, Motorola proposes and has discounted all Accessories including Parts, Pagers and Related Equipment under this Proposal.

2.9.1 PARTS AND ACCESSORIES

Highlights

All Motorola Two Way Radio Parts and Accessories not specifically listed for the State of Arizona and Cooperative Purchasing Members are included in this proposal by this reference and are discounted Off List Price. Motorola offers a complete electronic catalog (ECAT) via Motorola Online.

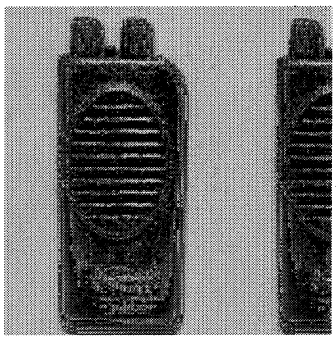
2.9.2 MINITOR IV



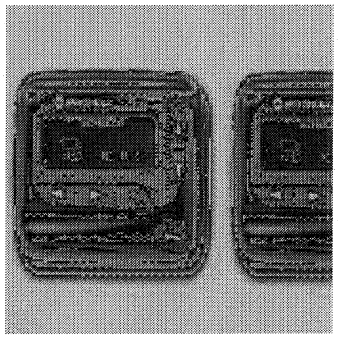
Highlights

The MINITOR IV pager's enhanced functionality and dependability allows your agency to confidently dispatch your fire and safety personnel.

Available

The MINITOR IV pager is available in either VHF or UHF models.

2.9.3 ADVISOR II



Highlights

The Advisor II one-way alphanumeric pager provides exciting capabilities in messaging along with an easy to read display. The advanced features of this pager, including user-selectable alerts and two notebooks for storing messages, makes it ideal for the government user.

Available

The Advisor II pager is available in either VHF (frequency range 163-174 MHz) or 900 MHz FLEX models, or VHF, UHF, or 900 MHz POCSAG models.

2.9.4 LS355

Highlights

The LS355 one-way numeric pager offers a one button design for ease of use. The LS355 pager enables users to receive a "call-back" number that can be returned at the user's convenience.

Available

The LS355 pager is available in either VHF or UHF models.

Description

Pursuant to provisions of the Arizona Procurement Code, ARS 41-2501 et seq., the State of Arizona, State Procurement Office intends to establish contract(s) for the materials or services as listed herein.

The State and members of its purchasing cooperative have an ongoing requirement for two-way radios and related services. Two-way radio systems available under any resulting contract(s) shall be available to various State agencies and members of the State Purchasing Cooperative in their applicable systems.

Amendment Information

Has the Price Sheet Been Changed?	No
Has the Questionnaire Been Changed?	No

Special Instructions

Current Products
All products offered in response to this solicitation shall be in current and ongoing production; shall have been formally announced for general marketing purposes; shall be a model or type currently functioning in a user (paying customer) environment and capable of meeting or exceeding all specifications and requirements set forth in this solicitation.

Definition
'May' denotes the permissive
'Shall' denotes the imperative
'Must' denotes the imperative

Eligible Agencies (Statewide)
Any contract resulting from this solicitation shall be for the use of all State of Arizona departments, agencies, commissions and boards. In addition, eligible universities, political subdivisions and nonprofit educational or public health institutions may participate at their discretion. In order to participate in any resultant contract, a university, political subdivision, or nonprofit educational or public health institution must have entered into a cooperative purchasing agreement with the State Procurement Office as required by Arizona Revised Statutes 41-2632.

Evaluation
In accordance with A.R.S. 41-2534, award shall be made to the responsible offeror whose proposal is determined in writing to be the most advantageous to the State based upon the evaluation criteria cited herein.

Offerors shall indicate their acceptance of the State's Uniform and Special Terms and Condition as instructed herein. Offerors taking exceptions to any of the Uniform or Special Terms and Conditions, shall include an explanation for each exception and include any proposed replacement language. In accordance with R2-7-330(B) and the Uniform Instructions, 3.4., proposals including changes to the Uniform or Special Terms and Conditions may be deemed non-responsive, not susceptible for contract award or may cause the proposal to be rejected.

The evaluation factors are listed in their relative order of importance.

1. Conformance to Scope and Specifications
2. Cost
3. Capacity of Offeror

1. Conformity to Scope and Specifications
2. Cost
3. Capacity of Offeror

Individual Line Item Response
The vendor may respond to any of the equipment or service items listed in the solicitation. It is not mandatory to respond to all. The State reserves the right to accept or reject any line item proposed.

Multiple Awards
The equipment best responding to the requirements of the RFP will be identified, and multiple awards made where in the best interests of the State. This will be done in order to provide a broad range of types and quality equipment, with adequate contractor support. Evaluations will generally not include accessory items.

Offshore Performance of Work Prohibited
Due to security and identity protection concerns, all services under this contract shall be performed within the borders of the United States. All storage and processing of information shall be performed within the borders of the United States. This provision applies to work performed by all subcontractors at all tiers.

Price Submission
The price submitted for each line item shall be the price of the base radio. For each line item proposed, additional information shall be provided. The required information is called out in the Attachment entitled 'Additional Pricing Information'.

For all optional accessories, acceptable responses shall be in one of three formats. If they are provided with the radio at no additional cost the 'price' shall be listed as 'Standard'. If the option can be provided at an additional price, the dollar amount shall be indicated. If the specifications do not require the accessory (as in a Basic model), the 'price' shall be listed as N/A. Please refer to the specifications to determine which accessories are desired.

Proposals: SPIRIT Submission Requirement
In accordance with the Uniform Instructions 3.1, Forms: No Facsimile, Telegraphic or Electronic Mail Offers; proposals to this solicitation shall be submitted in an acceptable electronic format, as described herein, using the State's online eProcurement application SPIRIT. Submission of offers by means other than the SPIRIT system will not be accepted. Potential offerors with questions in this regard shall contact the State Procurement Office prior to the solicitations due date and time.

Purpose
Pursuant to provisions of the Arizona Procurement Code, ARS 41-2501 et seq., the State of Arizona, State Procurement Office intends to establish a contract for the materials or services as listed herein.
Questionnaire Section
Offeror(s) should complete the entire questionnaire section of the Request for Proposal. The offerors responses should be in the form of a brief written narrative demonstrating the Offerors ability to satisfy the Scope of Work. The narrative should describe a logical progression of tasks and efforts starting with the initial steps or tasks to be accomplished and continuing until all proposed tasks are fully described. The language of the narrative should be straightforward and limited to facts, solutions to problems, and plans of proposed action. The use of technical language should be minimized and used only to describe a technical process.
Responsibility, Responsiveness and Acceptability
In accordance with A.R.S. 41-2534(G), A.A.C. R2-7-330 and R2-7-354, State shall consider the following in determining offerors? responsibility as well as the responsiveness and acceptability of their proposals. Offerors may not be considered responsible if they have been debarred from the practice of their profession that would otherwise be necessary in the provision of goods and services under any resulting contract. Offerors may not be considered responsible if they have had a contract with the State, within the last three-years, that was terminated for cause, due to breach or similar failure to comply with the terms of any such contract. Offerors may also not be considered responsible if there is factual evidence of their frequent and reoccurring failure to satisfy the terms of their agreements and contractual relationships, both with the State or other government entities. Factual evidence shall consist of any documented vendor performance reports, customer complaints and/or negative references.

Proposals may not be considered responsive and/or acceptable if they do not contain information sufficient to evaluate the proposal in accordance with the factors identified in the solicitation or other necessary proposal components. Necessary components include: an indication of the Offeror's intent to be bound, price proposal, solicitation amendments, bond and reference data as required.
Subcontractors
Supplemental to the Subcontractor provision in the Uniform Instructions, offerors shall include with their list of proposed subcontractors, their contact information, certifications required of them, their Minority and Women Owned Enterprise status (cite any certifications use in determining such status) as well as the subcontractor's proposed responsibilities under the offeror's proposal.
Technical Information to be Furnished with Offer
At the time of submitting bids, each bidder shall submit complete technical information, graphs, photographs, circuit diagrams, instruction manuals and other means to fully describe the equipment being bid. It is the responsibility of each vendor to provide ALL technical data addressing RFP specifications. Failure to do so will indicate vendor non-compliance to the relevant item in the RFP. It is NOT the responsibility of the State to request further technical data from the vendor to verify compliance to the detailed technical specifications. Failure to supply complete technical information SHALL BE sufficient cause for rejection of a proposal. All specifications provided MUST be stated as 'Minimum' specifications, not 'Typical' specifications. If not stated as 'Minimum', specifications provided will be assumed non-compliant.

Special Terms and Conditions

Confidentiality of Records
The contractor shall establish and maintain procedures and controls acceptable to the State for the purpose of assuring that information or data in its possession is not mishandled, misused, released, disclosed, or used in an inappropriate manner by it, its agents, officers, or employees. This includes information contained in its records obtained from the State or others, necessary for contract performance. The contractor shall take all reasonable steps and precautions to safeguard this information and data and shall not divulge the information or data to parties other than those needed for the performance of duties under the contract.

Contract Extension
The contract term is for a two(2) year period subject to additional successive periods of a maximum twelve months per extension with a maximum aggregate including all extensions not to exceed five (5) years

Contract Type (Term)
Fixed price term indefinite quantity.

Delivery (Days)
Delivery shall be made within 90 days of receipt of a contract release order/purchase order.

Eligible Agencies (Statewide)
Contract shall be for the use of the State of Arizona, including all of its departments, agencies, boards and commissions. Also, in accordance with A.R.S. 41-2642, members of the State Purchasing Cooperative, comprised of cities, counties, schools and special districts, universities, nonprofit educational and public health institutions may also purchase from under this Contract at their discretion. State Purchasing Cooperative members can be confirmed at the following URL: http://www.azspo.az.gov/ProcurementPartners/index.htm

Estimated Quantities (Considerable)
The state anticipates considerable activity resulting from contracts that will be awarded as a result of this solicitation; however, no commitment of any kind is made concerning quantities actually acquired and that fact should be taken into consideration by each potential contractor.

Insurance
INDEMNIFICATION:
Contractor agrees to indemnify, defend, save and hold harmless the State of Arizona, any jurisdiction or agency issuing permits for any work included in the project, and their respective directors, officers, officials, agents and employees (hereinafter referred to as 'Indemnitee') from and against any and all claims, actions, liabilities, costs, losses, or expenses, including reasonable attorney's fees, (hereinafter collectively referred to as 'Claims') arising out of actual or alleged bodily injury or personal injury of any person (including death) or loss or damage to tangible or intangible property caused, or alleged to be caused, in whole or in part, by the negligent or willful acts or omissions of Contractor or any of Contractor's directors, officers, agents, employees, volunteers or subcontractors. This indemnity includes any claim or amount arising or recovered under the Workers' Compensation Law or arising out of the failure of Contractor to conform to any federal, state or local law, statute, ordinance, rule, regulation or court decree. It is the specific intention of the parties that the Indemnitee shall, in all instances, except for Claims arising solely from the negligent or willful acts or omissions of the Indemnitee, be indemnified by Contractor from and against any and all Claims. It is agreed that Contractor will be responsible for primary loss investigation, defense and judgment costs where this indemnification is applicable.

This indemnity shall not apply if the contractor or sub-contractor(s) is/are an agency, board, commission or university of the State of Arizona.

INSURANCE REQUIREMENTS:
Vendor shall procure and maintain, until all of their obligations, including any warranty periods under this Contract, are satisfied, insurance against claims for injury to persons or damage to property which may arise from or in connection with the purchase and or use of the commodity.

The insurance requirements herein are minimum requirements for this Contract and in no way limit the indemnity covenants contained in this Contract. The State of Arizona in no way warrants that the minimum limits contained herein are sufficient to protect the Vendor from liabilities that might arise out of the purchase and use of the commodities sold under this Contract by the Vendor, his agents, representatives, employees or subcontractors and Vendor is free to purchase such additional insurance as may be determined necessary.

A. MINIMUM SCOPE AND LIMITS OF INSURANCE: Contractor shall provide coverage at least as broad and with limits of liability not less than those stated below.

B. ADDITIONAL INSURANCE REQUIREMENTS: The policies are to contain, or be endorsed to contain, the following provisions:

1. The State of Arizona, its departments, agencies, boards, commissions, universities and its officers, officials, agents, and employees wherever additional insured status is required such additional insured shall be covered to the full limits of liability purchased by the Contractor, even if those limits of liability are in excess of those required by this Contract.
2. The Contractor's insurance coverage shall be primary insurance with respect to all other available sources.
3. Coverage provided by the Contractor shall not be limited to the liability assumed under the indemnification provisions of this Contract.

C. NOTICE OF CANCELLATION: Each insurance policy required by the insurance provisions of this Contract shall not be suspended, voided, cancelled, reduced in coverage or in limits except after thirty (30) days prior written notice has been given to the State of Arizona. Such notice shall be sent directly to (State of Arizona Department Representative?s Name and Address) and shall be sent by certified mail, return receipt requested.

D. ACCEPTABILITY OF INSURERS: Insurance is to be placed with duly licensed or approved non-admitted insurers in the State of Arizona with an ?A.M. Best? rating of not less that A- VII. The State of Arizona in no way warrants that the above-required minimum insurer rating is sufficient to protect the Vendor from potential insurer insolvency.

E. VERIFICATION OF COVERAGE: Contractor shall furnish the State of Arizona with certificates of insurance (ACORD form or equivalent approved by the State of Arizona) as required by this Contract. The certificates for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf.

All certificates and endorsements are to be received and approved by the State of Arizona before work commences. Each insurance policy required by this Contract must be in effect at or prior to commencement of work under this Contract and remain in effect for the duration of the project. Failure to maintain the insurance policies as required by this Contract, or to provide evidence of renewal, is a material breach of contract.

All certificates required by this Contract shall be sent directly to (State of Arizona Department Representative's Name and Address). The State of Arizona project/contract number and project description are to be noted on the certificate of insurance. The State of Arizona reserves the right to require complete, certified copies of all insurance policies required by this Contract at any time. DO NOT SEND CERTIFICATES OF INSURANCE TO THE STATE OF ARIZONA'S RISK MANAGEMENT SECTION.

F. APPROVAL: Any modification or variation from the insurance requirements in this Contract must have prior approval from the State of Arizona Department of Administration, Risk Management Section, whose decision shall be final. Such action will not require a formal contract amendment, but may be made by administrative action.

G. EXCEPTIONS: In the event the Contractor or sub-contractor(s) is/are a public entity, then the Insurance Requirements shall not apply. Such public entity shall provide a Certificate of Self-Insurance. If the contractor or sub-contractor(s) is/are a State of Arizona agency, board, commission, or university then none of the above shall apply.

Key Personnel

It is essential that the contractor provide an adequate staff of experienced personnel, capable of and devoted to the successful accomplishment of work to be performed under this contract. The contractor must assign specific individuals to the key positions. Once assigned to work under the contract, key personnel shall not be removed or replaced without the prior written approval of the issuing agency and a copy to the procurement office of record.

Licenses

Contractor shall maintain in current status all Federal, State and Local licenses and permits required for the operation of a business conducted by the contractor.

New Equipment

All equipment, materials, parts and other components incorporated in the work or an item covered by this contract shall be new, of the latest model and of the most suitable grade for the purpose intended. Any and all work under this contract shall be performed in a skilled and workmanlike manner.

New Products

1. The State, at its sole discretion may allow new products announced by manufactures represented on the contract to be incorporated. The request may be submitted at any time during the contract period and shall be supplemented with the following information. If the New Product is a member of a product line already accepted in the contract, it may be sold to all eligible agencies and subdivisions as soon as the contract administrator has indicated in writing that they have received all required documents. Failure to supply any of the following information with the request shall result in the State not considering the request.

1.1. A formal announcement from the manufacturer stating that the product(s) are new and were not available at the time of contract award.

1.2. Documentation from the manufacturer that cites the effected products by item number and description.

1.3. Documentation that provides clear evidence that the new products are those that are within an established contract group. NO OTHER PRODUCTS SHALL BE ALLOWED.

1.4. That states prices at which sales are currently or were last made to a significant number of any category of buyers or buyers constituting the general buying public for the materials or services involved and that will be sold at the existing discount (percents %) form list price as existing products.

2. Approval shall be in the form of a contract amendment and shall become effective on the date specified in the amendment. Upon approval by the State, the contractor shall make available all electronic and hard catalog/price list updates to all eligible agencies at no additional cost to the State.

Offshore Performance of Work Prohibited

Due to security and identity protection concerns, all services under this contract shall be performed within the borders of the United States. All storage and processing of information shall be performed within the borders of the United States. This provision applies to work performed by subcontractors at all tiers.

Ordering Process

1. For the purposes of this contract, contract release order/purchase orders are those that are issued by an eligible agency any of the following forms:

1.1. Hard copy, one time only or blanket (term type) type;

1.2. Electronically transmitted through facsimile equipment;

1.3. Electronically transmitted as an e-mail attachment;

1.4. Electronically transmitted through a contractor's Electronic Data Interchange (EDI) system or secured internet/web portal, i.e. those that provide electronic commerce assistance for the electronic submission of purchase orders, purchase order tracking and reporting.

1.4.1. Such systems shall not allow for purchase orders to be placed for non-contract or excluded items.

1.4.2. Use of such systems shall be at the sole at the sole discretion of the eligible agency and all cost associated with set-up, maintenance and support shall be borne by the contractor.

1.5. Electronically through State's or eligible agencies p-card program.

2. This contract was awarded in accordance with the Arizona Procurement Code and all transactions and procedures required by the code for competitive source selection have been met. A contract release order/purchase order, initiated in accordance with the requirements contained herein, that cites the correct Arizona contract number is the only document required for the agency to order and the contractor to deliver the material and /or service.

3. Any attempt to represent any material and/or service not specifically awarded, as being under contract with the State of Arizona is a violation of the contract and the Arizona Procurement Code. Any such action is subject to the legal and contractual remedies available to the state inclusive of, but not limited to, contract cancellation, suspension and/or debarment of the contractor.
and/or debarment of the contractor.

Price Adjustment

1. The State Procurement Office may review a fully documented request for a price increase only (change in discount) only on the anniversary or renewal date of the contract. The requested increases shall be based upon a cost increase to the contractor that was clearly unpredictable at the time of the offer and is directly correlated the price of the product/service contractually covered.

1.1. The request shall be submitted from 90 to 120 days prior to the anniversary or contract renewal date of the contract and shall be a factor in the extension review process.

1.2. Failure to submit the request within the stated timeframe and/or failure to supply adequate information with the request may result in the state not considering the request.

2. The State, at its sole option shall determine whether the requested price adjustment or an alternate option is in the best interest of the State. Approval shall be in the form of a contract amendment, and shall become effective on the date specified in the amendment. Upon approval by the State, the contractor shall make available all electronic and hard copy catalog/price list updates to all eligible using agencies at no additional cost to the State.

Price Increase

The State Procurement Office may review a fully documented request for a price increase only after the contract has been in effect for two (2) years. The requested increase shall be based upon a cost increase to the contractor that was clearly unpredictable at the time of the offer and is directly correlated to the price of the product concerned. The State Procurement Office shall determine whether the requested price increase or an alternate option, is in the best interest of the state.

Written request by the contractor is required thirty (30) days in advance of any desired price change. Following approval by the State Procurement Office, the request shall provide the following:

1. A formal announcement from the manufacturer that the cost of the contract product has been increased.

2. Documentation, i.e., published cost lists, from the manufacturer showing, to the satisfaction of the state, the actual cost increase.

Price Reductions

Price reductions may be submitted to the state for consideration at any time during the contract period. The contractor shall offer the state a price reduction on the contract product(s) concurrent with a published price reduction made to other customers. The state at its own discretion may accept a price reduction. The contractor shall request, in writing, a price reduction. The contractor shall request, in writing, a price reduction and provide the following:

1. A formal announcement from the manufacturer that the cost of the contract product has been reduced.

2. Documentation, i.e., published cost lists, from the manufacturer showing, to the satisfaction of the state, the actual cost reduction.

3. Documentation showing that the published cost reductions have been offered to other distributors.

Pricing

All prices shall include delivery and first year warranty

Product Discontinuance

1. In the event that a product or groups of products are discontinued by a manufacturer, the State at its sole discretion may allow the contractor to provide substitutes for the discontinued product(s) or allow the deletion of such products from the contract. The request may be submitted at any time during the contract period and shall be supplemented with the following information. Failure to supply any of the following information with the request may result in the state not considering the request.

1.1. A formal announcement from the manufacturer stating that the product(s) have been discontinued.

1.2. Documentation from the manufacturer that cites the effected products by item number and description.

1.3. Documentation from the manufacturer that names the replacement product(s).

1.4. Documentation that provides clear evidence that the replacement product(s) meets or exceeds the specifications of the discontinued product(s) while remaining in the same product group(s) as the discontinued item, and;

1.5. Documentation confirming that the price for the replacement product(s) is the same as or less than the discontinued item.

2. Approval shall be in the form of a contract amendment and shall become effective on the date specified in the amendment. Upon approval by the state, the contractor shall make available all electronic and hard catalog/price list updates to all eligible at no additional cost to the State.

Safety Standards

All items supplied on this contract must comply with the current applicable occupational safety and health standards of the State of Arizona Industrial Commission, The National Electric Code, and The National Fire Protection Association Standards.

Shipping F.O. B. Delivered

Prices shall be F.O.B. destination to the delivery location designated herein. Contractor shall retain title and control of all goods until they are delivered and the contract of coverage has been completed. All risk of transportation and all related charges shall be the responsibility of the contractor. All claims for visible or concealed damage shall be filed by the contractor. The state will notify the contractor promptly of any damaged goods and shall assist the contractor in arranging for inspection.

Social Responsibility of Offeror

Offerors are encouraged to make every effort to utilize subcontractors that are small, women owned and/or minority owned business enterprises. This could include, for example, subcontracts for creative development, media placement or printing services. Offerors who are offering to commit a portion of their work to such subcontractors shall do so by identifying the type of services and work to be performed by completing the solicitation questionnaire section entitled 'Social Responsibility of Offeror.'

Subcontractors

Supplemental to the Subcontractor term in the Uniform Terms and Conditions, Contractor shall not enter into any Subcontract under this Contract, for the provision of supplies or performance of services under this Contract, without the advance written approval of the Procurement Officer. When requesting the Procurement Officer's approval, the Contractor shall list all new subcontractors, their contact information, certifications required of them, their Minority and Women Owned Enterprise status (cite any certifications use in determining such status) as well as the subcontractor's proposed responsibilities under the Contract. With the request, Contractor shall certify that all Subcontracts incorporate by reference the terms and conditions of this Contract.

Taxes

1. Applicable Taxes: The State will pay only the rate and/or amount of taxes identified in the offer and in any resulting contract.

2. Tax Indemnification: Contractor and all subcontractors shall pay all federal, state and local taxes applicable to its operation and any persons employed by the Contractor. Contractor shall, and require all subcontractors to hold the state harmless from any responsibility for taxes, penalties and interest, if applicable, contributions required under federal, and/or state and local laws and regulations and any other costs including transaction privilege taxes, unemployment compensation insurance, Social Security and Worker's Compensation.

3. IRS W9 Form: In order to receive payment under any resulting contract, contractor must have a current I.R.S. W9 Form on file with the State of Arizona, Department of Administration, General Accounting Office.

Term of Contract (Sole Option)

The term of the contract shall commence upon award and shall remain in effect for a period of two (2) years, unless terminated, canceled or extended as otherwise provided herein. The contractor agrees that the State of Arizona shall have the right, at its sole option, to renew the contract for three (3) additional one−year periods. In the event that the state exercises such right, all terms, conditions and provisions of the original contract shall remain the same and apply during the renewal period with the exception of price. The contractor shall agree that price stated in the original contract shall apply unless a percent of increase or decrease is quoted.

Usage Report

The contractor shall furnish the state a usage report delineating the acquisition activity governed by the contract. The format of the report shall be approved by the state and shall disclose the quantity and the dollar value of each contract item by individual purchasing unit.

The usage report shall be due at the end of each three month period of the contract term. The due date of the usage reports shall be as follows:

Quarter Ends: Usage Report Due:

Sept. 30 Oct. 31

Dec. 31 Jan. 31
Mar. 31 Apr. 30
June 30 July 31

Failure to submit a useage report may be considered as a failure to comply with contract requirements.

Warranty (12 Months)

All equipment supplied under this specification shall be fully guaranteed by the contractor for a minimum period of 12 months from the date of acceptance by the state. Any defects of design, workmanship, or materials, that would result in non-compliance with the contract specification, shall be fully corrected by the contractor (including parts and labor) without cost to the state. The written warranty shall be included with the delivered products to the using entity.

1.11 Solicitation Amendment
a written document that is signed by the Procurement Officer and issued for the purpose of making changes to the Solicitation.

1.12 Subcontract
means any Contract, express or implied, between the Contractor and another party or between a subcontractor and another party delegating or assigning, in whole or in part, the making or furnishing of any material or any service required for the performance of the Contract.

1.13 State
the State of Arizona and Department or Agency of the State that executes the Contract.

2 Inquiries
Inquiries

2.1 Duty to Examine
It is the responsibility of each Offeror to examine the entire Solicitation, seek clarification in writing (inquiries), and examine its' Offer for accuracy before submitting the Offer. Lack of care in preparing an Offer shall not be grounds for modifying or withdrawing the Offer after the Offer due date and time, nor shall it give rise to any Contract claim.

2.2 Solicitation Contact Person
Any inquiry related to a Solicitation, including any requests for or inquiries regarding standards referenced in the Solicitation, shall be directed solely to the Solicitation contact person. The Offeror shall not contact or direct inquiries concerning this Solicitation to any other State employee unless the Solicitation specifically identifies a person other than the Solicitation contact person as a contact.

2.3 Submission of Inquiries
The Procurement Officer or the person identified in the Solicitation as the contact for inquiries mayexcept at the Pre-Offer Conference, require that an inquiry be submitted in writing. Any inquiry related to a Solicitation shall refer to the appropriate Solicitation number, page and paragraph. Do not place the Solicitation number on the outside of the envelope containing that inquiry, since it may then be identified as an Offer and not be opened until after the Offer due date and time. The State shall consider the relevancy of the inquiry but is not required to respond in writing.

2.4 Timeliness
Any inquiry or exception to the solicitation shall be submitted as soon as possible and should be submitted at least seven days before the Offer due date and time for review and determination by the State. Failure to do so may result in the inquiry not being considered for a Solicitation Amendment.

2.5 No Right to Rely on Verbal Responses

An offeror shall not rely on verbal responses to inquiries. A verbal reply to an inquiry does not constitute a modification of the solicitation.

2.6 Solicitation Amendments

The Solicitation shall only be modified by a Solicitation Amendment.

2.7 Pre-Offer Conference

If a pre-Offer conference has been scheduled under this Solicitation, the date, time and location shall appear on the Solicitation cover sheet or elsewhere in the Solicitation. Offerors should raise any questions about the Solicitation or the procurement at that time. An Offeror may not rely on any verbal responses to questions at the conference. Material issues raised at the conference that result in changes to the Solicitation shall be answered solely through a written Solicitation Amendment.

2.8 Persons With Disabilities

Persons with a disability may request a reasonable accommodation, such as a sign language interpreter, by contacting the Solicitation contact person. Requests shall be made as early as possible to allow time to arrange the accommodation.

3 Offer Preparation

Offer Preparation

3.1 Forms: No Facsimile, Telegraphic or Electronic Mail Offers

Telegraphic or Electronic Mail Offers. An Offer shall be submitted either on the forms provided in this Solicitation or their substantial equivalent. Any substitute document for the forms provided in this Solicitation must be legible and contain the same information requested on the forms, unless the solicitation indicates otherwise. A facsimile, telegraphic, mailgram or electronic mail Offer shall be rejected if submitted in response to requests for proposals or invitations for bids, unless the solicitation indicates otherwise.

3.2 Typed or Ink; Corrections

The Offer shall be typed or in ink. Erasures, interlineations or other modifications in the Offer shall be initialed in ink by the person signing the Offer. Modifications shall not be permitted after Offers have been opened except as otherwise provided under applicable law.

3.3 Evidence of Intent to be Bound

The Offer and Acceptance form within the Solicitation shall be submitted with the Offer and shall include a signature (or acknowledgement for electronic submissions, when authorized) by a person authorized to sign the Offer. The signature shall signify the Offeror's intent to be bound by the Offer and the terms of the Solicitation and that the information provided is true, accurate and complete. Failure to submit verifiable evidence of an intent to be bound, such as an original signature, shall result in rejection of the Offer.

3.4 Exceptions to Terms and Conditions

All exceptions included with the Offer shall be submitted in a clearly identified separate section of the Offer in which the Offeror clearly identifies the specific paragraphs of the Solicitation where the exceptions occur. Any exceptions not included in such a section shall be without force and effect in any resulting Contract unless such exception is specifically accepted by the Procurement Officer in a written statement. The Offeror's preprinted or standard terms will not be considered by the State as a part of any resulting Contract.

i. Invitation for Bids. An Offer that takes exception to a material requirement of any part of the Solicitation, including terms and conditions, shall be rejected. [ALL]

ii. Request for Proposals. All exceptions that are contained in the Offer may negatively affect the State's proposal evaluation based on the evaluation criteria stated in the Solicitation or result in rejection of the Offer. An offer that takes exception to any material requirement of the solicitation may be rejected.

3.5 Subcontracts

Offeror shall clearly list any proposed subcontractors and the subcontractor's proposed responsibilities in the Offer.

3.6 Cost of Offer Preparation

The State will not reimburse any Offeror the cost of responding to a Solicitation.

3.7 Solicitation Amendments

Each Solicitation Amendment shall be signed with an original signature by the person signing the Offer, and shall be submitted no later than the Offer due date and time. Failure to return a signed (or acknowledgment for electronic submission, when authorized) copy of a Solicitation Amendment may result in rejection of the Offer.

3.8 Federal Excise Tax

The State of Arizona is exempt from certain Federal Excise Tax on manufactured goods. Exemption Certificates will be provided by the State.

3.9 Provision of Tax Identification Numbers

Offerors are required to provide their Arizona Transaction Privilege Tax Number and/or Federal Tax Identification number in the space provided on the Offer and Acceptance Form.

3.10 Employee Identification

Offeror agrees to provide an employee identification number or social security number to the Statefor the purposes of reporting to appropriate taxing authorities, monies paid by the Stateunder this contract. If the federal identifier of the offeror is

a social security number, this number is being requested solely for tax reporting purposes and will be shared only with appropriate state and federal officials. This submission is mandatory under 26 U.S.C. § 6041A.

3.11 Identification of Taxes in Offer

The State of Arizona is subject to all applicable state and local transaction privilege taxes. All applicable taxes shall be identified as a separate item offered in the solicitation when applicable, the tax rate and amount shall be identified on the price sheet. At all times, payment of taxes and the determination of applicable taxes are the sole responsibility of the contractor.

3.12 Disclosure

If the firm, business or person submitting this Offer has been debarred, suspended or otherwise lawfully precluded from participating in any public procurement activity, including being disapproved as a subcontractor with any Federal, state or local government, or if any such preclusion from participation from any public procurement activity is currently pending, the Offeror shall fully explain the circumstances relating to the preclusion or proposed preclusion in the Offer. The Offeror shall include a letter with its Offer setting forth the name and address of the governmental unit, the effective date of this suspension or debarment, the duration of the suspension or debarment, and the relevant circumstances relating to the suspension or debarment. If suspension or debarment is currently pending, a detailed description of all relevant circumstances including the details enumerated above shall be provided.

3.13 Solicitation Order of Precedence

In the event of a conflict in the provisions of this Solicitation, the following shall prevail in the order set forth below:

3.13.1 Special Terms and Conditions;
3.13.2 Uniform Terms and Conditions;
3.1.3 Statement or Scope of Work;
3.13.4 Specifications;
3.13.5 Attachments;
3.13.6 Exhibits;
3.13.7 Special Instructions to Offerors;
3.13.8Uniform Instructions to Offerors.3.13.9 Other documents referenced or included in the Solicitation.

3.14 Delivery

Unless stated otherwise in the Solicitation, all prices shall be F.O.B. Destination and shall include all freight, delivery and unloading at the destination(s).

4 Submission of Offer

Submission of Offer

4.1 Sealed Envelope or Package

Except for electronic submissions, when authorized, each Offer shall be submitted to the submittal location identified in this Solicitation. Offers should be submitted in a sealed envelope or container. The envelope or container should be clearly identified with name of the Offeror and Solicitation number. The State may open envelopes or containers to identify contents if the envelope or container is not clearly identified.

4.2 Offer Amendment or Withdrawal

An Offer may not be amended or withdrawn after the Offer due date and time except as otherwise provided under applicable law.

4.3 Public Record

All Offers submitted and opened are public records and must be retained by the State. Offers shall be open to public inspection after Contract award, except for such Offers deemed to be confidential by the State. If an Offeror believes that information in its Offer should remain confidential, it shall indicate as confidential the specific information and submit a statement with its Offer detailing the reasons that the information should not be disclosed. Such reasons shall include the specific harm or prejudice which may arise. The State shall determine whether the identified information is confidential pursuant to the Arizona Procurement Code.

4.4 Non-collusion, Employment, and Services

By signing the Offer and Acceptance Form or other official contract form, the Offeror certifies that:

4.4.1 i. The Offeror did not engage in collusion or other anti-competitive practices in connection with the preparation or submission of its Offer; and

4.4.2 ii.The Offeror does not discriminate against any employee or applicant for employment or person to whom it provides services because of race, color, religion, sex, national origin, or disability, and that it complies with all applicable Federal, state and local laws and executive orders regarding employment.

5 Evaluation

Evaluation

1. Conformity to Scope and Specifications
2. Cost
3. Capacity of Offeror

5.1 Unit Price Prevails

In the case of discrepancy between the unit price or rate and the extension of that unit price or rate, the unit price or rate shall govern.

5.2 Taxes

Arizona transaction privilege and use taxes shall not be considered for evaluation.

5.3 Late Offers

An Offer submitted after the exact Offer due date and time shall be rejected.

5.4 Disqualification

An Offeror (including anyof its' principals) who is currently debarred, suspended or otherwise lawfully prohibited from any public procurement activity shall have its offer rejected.

5.5 Offer Acceptance Period

An Offeror submitting an Offer under this Solicitation shall hold its Offer open for the number of days from the Offer due date that is stated in the Solicitation. If the Solicitation does not specifically state a number of days for Offer acceptance, the number of days shall be one hundred-twenty (120). If a Best and Final Offer is requested pursuant to a Request for Proposals, an Offeror shall hold its Offer open for one hundred-twenty (120) days from the Best and Final Offer due date.

5.6 Waiver and Rejection Rights

Notwithstanding any other provision of the Solicitation, the State reserves the right to:

5.6.1 Waive any minor informality;
5.6.2 Reject any and all Offers or portions thereof; or
5.6.3 Cancel the Solicitation.

6 Award

Award

6.1 Number or Types of Awards

The State reserves the right to make multiple awards or to award a Contract by individual line items or alternatives, by group of line items or alternatives, or to make an aggregate award, or regional awards, whichever is most advantageous to the State. If the Procurement Officer determines that an aggregate award to one Offeror is not in the State's best interest, 'all or none' Offers shall be rejected.

6.2 Contract Inception

An Offer does not constitute a Contract nor does it confer any rights on the Offeror to the award of a Contract. A Contract is not created until the Offer is accepted in writing by the Procurement Officer's signature on the Offer and Acceptance Form. A notice of award or of the intent to award shall not constitute acceptance of the Offer.

6.3 Effective Date

The effective date of this Contract shall be the date that the Procurement Officer signs the Offer and Acceptance form or other official contract form, unless another date is specifically stated in the Contract.

7 Protests

A protest shall comply with and be resolved according to Arizona Revised Statutes Title 41, Chapter 23, Article 9 and rules adopted thereunder. Protests shall be in writing and be filed with both the Procurement Officer of the purchasing agency and with the State Procurement Administrator. A protest of a Solicitation shall be received by the Procurement Officer before the Offer due date. A protest of a proposed award or of an award shall be filed within ten (10) days after the protester knows or should have known the basis of the protest. A protest shall include:

7.1 The name, address and telephone number of the protester;
7.2 The signature of the protester or its representative;
7.3 Identification of the purchasing agency and the Solicitation or Contract number;
7.4 A detailed statement of the legal and factual grounds of the protest including copies of relevant documents; and
7.5 The form of relief requested.

8 Comments Welcome

The State Procurement Office periodically reviews the Uniform Instructions to Offerors and welcomes any comments you may have. Please submit your comments to: State Procurement Administrator, State Procurement Office, 100 North 15th Avenue, Suite 104, Phoenix, Arizona, 85007.

Title 41, Chapter 23, and its implementing rules, Arizona Administrative Code (A.A.C.) Title 2, Chapter 7.

2.2 Implied Contract Terms
Each provision of law and any terms required by law to be in this Contract are a part of this Contract as if fully stated in it.

2.3 Contract Order of Precedence
In the event of a conflict in the provisions of the Contract, as accepted by the State and as they may be amended, the following shall prevail in the order set forth below:

2.3.1 Special Terms and Conditions;
2.3.2 Uniform Terms and Conditions;
2.3.3 Statement or Scope of Work;
2.3.4 Specifications;
2.3.5 Attachments;
2.3.6 Exhibits;
2.3.7 Documents referenced or included in the Solicitation.

2.4 Relationship of Parties
The Contractor under this Contract is an independent Contractor. Neither party to this Contract shall be deemed to be the employee or agent of the other party to the Contract.

2.5 Severability
The provisions of this Contract are severable. Any term or condition deemed illegal or invalid shall not affect any other term or condition of the Contract.

2.6 No Parole Evidence
This Contract is intended by the parties as a final and complete expression of their agreement. No course of prior dealings between the parties and no usage of the trade shall supplement or explain any terms used in this document and no other understanding either oral or in writing shall be binding.

2.7 No Waiver
Either party's failure to insist on strict performance of any term or condition of the Contract shall not be deemed a waiver of that term or condition even if the party accepting or acquiescing in the nonconforming performance knows of the nature of the performance and fails to object to it.

3 Contract Administration and Operation
Contract Administration and Operation.

3.1 Records
Under A.R.S. § 35-214 and § 35-215, the Contractor shall retain and shall contractually require each subcontractor to retain all data and other 'records' relating to the acquisition and performance of the Contract for a period of five years after the completion of the Contract. All records shall be subject to inspection and audit by the State at reasonable times. Upon request, the Contractor shall produce a legible copy of any or all such records.

3.2 Non-Discrimination
The Contractor shall comply with State Executive Order No. 99-4 and all other applicable Federal and State laws, rules and regulations, including the Americans with Disabilities Act.

3.3 Audit
Pursuant to ARS § 35-214, at any time during the term of this Contract and five (5) years thereafter, the Contractor's or any subcontractor's books and records shall be subject to audit by the State and, where applicable, the Federal Government, to the extent that the books and records relate to the performance of the Contract or Subcontract.

3.4 Facilities Inspection and Materials Testing
The Contractor agrees to permit access to its facilities, subcontractor facilities and the Contractor's processes or services, at reasonable times for inspection of the facilities or materials covered under this Contract. The State shall also have the right to test, at its own cost, the materials to be supplied under this Contract. Neither inspection of the Contractor's facilities nor materials testing shall constitute final acceptance of the materials or services. If the State determines non-compliance of the materials, the Contractor shall be responsible for the payment of all costs incurred by the State for testing and inspection.

3.5 Notices
Notices to the Contractor required by this Contract shall be made by the State to the person indicated on the Offer and Acceptance form submitted by the Contractor unless otherwise stated in the Contract. Notices to the State required by the Contract shall be made by the Contractor to the Solicitation Contact Person indicated on the Solicitation cover sheet, unless otherwise stated in the Contract. An authorized Procurement Officer and an authorized Contractor representative may change their respective person to whom notice shall be given by written notice to the other and an amendment to the Contract shall not be necessary.

3.6 Advertising, Publishing and Promotion of Contract
The Contractor shall not use, advertise or promote information for commercial benefit concerning this Contract without the prior written approval of the Procurement Officer.

3.7 Property of the State
Any materials, including reports, computer programs and other deliverables, created under this Contract are the sole property of the State. The Contractor is not entitled to a patent or copyright on those materials and may not transfer the patent or copyright to anyone else. The Contractor shall not use or release these materials without the prior written consent of the State.

3.8 Ownership of Intellectual Property
Any and all intellectual property, including but not limited to copyright, invention, trademark, tradename, service mark, and/or trade secrets created or conceived pursuant to or as a result of this contract and any related subcontract ('Intellectual Property'), shall be work made for hire and the State shall be considered the creator of such Intellectual Property. The agency, department, division, board or commission of the State of Arizona requesting the issuance of this contract shall own (for and on behalf of the State) the entire right, title and interest to the Intellectual Property throughout the world. Contractor shall notify the State, within thirty (30) days, of the creation of any Intellectual Property by it or its subcontractor(s). Contractor, on behalf of itself and any subcontractor (s), agrees to execute any and all document(s) necessary to assure ownership of the Intellectual Property vests in the State and shall take no affirmative actions that might have the effect of vesting all or part of the Intellectual Property in any entity other than the State. The Intellectual Property shall not be disclosed by contractor or its subcontractor(s) to any entity not the State without the express written authorization of the agency, department, division, board or commission of the State of Arizona requesting the issuance of this contract.

4 Costs and Payments
Costs and Payments

4.1 Payments

Payments shall comply with the requirements of A.R.S. Titles 35 and 41, Net 30 days. Upon receipt and acceptance of goods or services, the Contractor shall submit a complete and accurate invoice for payment from the State within thirty (30) days.

4.2 Delivery

Unless stated otherwise in the Contract, all prices shall be F.O.B. Destination and shall include all freight delivery and unloading at the destination.

4.3 Applicable Taxes

4.3.1 Payment of Taxes. The Contractor shall be responsible for paying all applicable taxes.

4.3.2 State and Local Transaction Privilege Taxes. The State of Arizona is subject to all applicable state and local transaction privilege taxes. Transaction privilege taxes apply to the sale and are the responsibility of the seller to remit. Failure to collect such taxes from the buyer does not relieve the seller from its obligation to remit taxes.

4.3.3 Tax Indemnification. Contractor and all subcontractors shall pay all Federal, state and local taxes applicable to its operation and any persons employed by the Contractor. Contractor shall, and require all subcontractors to hold the State harmless from any responsibility for taxes, damages and interest, if applicable, contributions required under Federal, and/or state and local laws and regulations and any other costs including transaction privilege taxes, unemployment compensation insurance, Social Security and Worker's Compensation.

4.3.4 IRS W9 Form. In order to receive payment the Contractor shall have a current I.R.S. W9 Form on file with the State of Arizona, unless not required by law.

4.4 Availability of Funds for the Next State Fiscal Year

Funds may not presently be available for performance under this Contract beyond the current state fiscal year. No legal liability on the part of the State for any payment may arise under this Contract beyond the current state fiscal year until funds are made available for performance of this Contract.

4.5 Availability of Funds for the Current State Fiscal Year

Should the State Legislature enter back into session and reduce the appropriations or for any reason and these goods or services are not funded, the State may take any of the following actions:

4.5.1 Accept a decrease in price offered by the contractor;

4.5.2 Cancel the Contract

4.5.3 Cancel the contract and re-solicit the requirements.

5 Contract Changes

Contract Changes

5.1 Amendments

This Contract is issued under the authority of the Procurement Officer who signed this Contract. The Contract may be modified only through a Contract Amendment within the scope of the Contract. Changes to the Contract, including the addition of work or materials, the revision of payment terms, or the substitution of work or materials, directed by a person who is not specifically authorized by the procurement officer in writing or made unilaterally by the Contractor are violations of the Contract and of applicable law. Such changes, including unauthorized written Contract Amendments shall be void and without effect, and the Contractor shall not be entitled to any claim under this Contract based on those changes.

5.2 Subcontracts

The Contractor shall not enter into any Subcontract under this Contract for the performance of this contract without the advance written approval of the Procurement Officer. The Contractor shall clearly list any proposed subcontractors and the subcontractor's proposed responsibilities. The Subcontract shall incorporate by reference the terms and conditions of this Contract.

5.3 Assignment and Delegation

The Contractor shall not assign any right nor delegate any duty under this Contract without the prior written approval of the Procurement Officer. The State shall not unreasonably withhold approval.

6 Risk and Liability

Risk and Liability

6.1 Risk of Loss

The Contractor shall bear all loss of conforming material covered under this Contract until received by authorized personnel at the location designated in the purchase order or Contract. Mere receipt does not constitute final acceptance. The risk of loss for nonconforming materials shall remain with the Contractor regardless of receipt.

6.2 Indemnification

6.2.1 Contractor/Vendor Indemnification (Not Public Agency) The parties to this contract agree that the State of Arizona, its' departments, agencies, boards and commissions shall be indemnified and held harmless by the contractor for the vicarious liability of the State as a result of entering into this contract. However, the parties further agree that the State of Arizona, its' departments, agencies, boards and commissions shall be responsible for its' own negligence. Each party to this contract is responsible for its' own negligence.

6.2.2 Public Agency Language Only Each party (as 'indemnitor') agrees to indemnify, defend, and hold harmless the other party (as 'indemnitee') from and against any and all claims, losses, liability, costs, or expenses (including reasonable

attorney's fees) (hereinafter collectively referred to as 'claims') arising out of bodily injury of any person (including death) or property damage but only to the extent that such claims which result in vicarious/derivative liability to the indemnitee, are caused by the act, omission, negligence, misconduct, or other fault of the indemnitor, its' officers, officials, agents, employees, or volunteers.'

6.3 Indemnification – Patent and Copyright

The Contractor shall indemnify and hold harmless the State against any liability, including costs and expenses, for infringement of any patent, trademark or copyright arising out of Contract performance or use by the State of materials furnished or work performed under this Contract. The State shall reasonably notify the Contractor of any claim for which it may be liable under this paragraph. If the contractor is insured pursuant to A.R.S. § 41−621 and § 35−154, this section shall not apply.

6.4 Force Majeure

6.4.1 Except for payment of sums due, neither party shall be liable to the other nor deemed in default under this Contract if and to the extent that such party's performance of this Contract is prevented by reason of force majeure. The term 'force majeure' means an occurrence that is beyond the control of the party affected and occurs without its fault or negligence. Without limiting the foregoing, force majeure includes acts of God; acts of the public enemy; war; riots; strikes; mobilization; labor disputes; civil disorders; fire; flood; lockouts; injunctions−intervention−acts; or failures or refusals to act by government authority; and other similar occurrences beyond the control of the party declaring force majeure which such party is unable to prevent by exercising reasonable diligence.

6.4.2 Force Majeure shall not include the following occurrences:

6.4.2.1 Late delivery of equipment or materials caused by congestion at a manufacturer's plant or elsewhere, or an oversold condition of the market;

6.4.2.2 Late performance by a subcontractor unless the delay arises out of a force majeure occurrence in accordance with this force majeure term and condition; or

6.4.2.3 Inability of either the Contractor or any subcontractor to acquire or maintain any required insurance, bonds, licenses or permits.

6.4.3 If either party is delayed at any time in the progress of the work by force majeure, the delayed party shall notify the other party in writing of such delay, as soon as is practicable and no later than the following working day, of the commencement thereof and shall specify the causes of such delay in such notice. Such notice shall be delivered or mailed certified−return receipt and shall make a specific reference to this article, thereby invoking its provisions. The delayed party shall cause such delay to cease as soon as practicable and shall notify the other party in writing when it has done so. The time of completion shall be extended by Contract Amendment for a period of time equal to the time that results or effects of such delay prevent the delayed party from performing in accordance with this Contract.

6.4.4 Any delay or failure in performance by either party hereto shall not constitute default hereunder or give rise to any claim for damages or loss of anticipated profits if, and to the extent that such delay or failure is caused by force majeure.

6.5 Third Party Antitrust Violations

The Contractor assigns to the State any claim for overcharges resulting from antitrust violations to the extent that those violations concern materials or services supplied by third parties to the Contractor, toward fulfillment of this Contract.

7 Warranties

Warranties

7.1 Liens

The Contractor warrants that the materials supplied under this Contract are free of liens and shall remain free of liens.

7.2 Quality

Unless otherwise modified elsewhere in these terms and conditions, the Contractor warrants that, for one year after acceptance by the State of the materials, they shall be:

7.2.1 Of a quality to pass without objection in the trade under the Contract description;

7.2.2 Fit for the intended purposes for which the materials are used;

7.2.3 Within the variations permitted by the Contract and are of even kind, quantity, and quality within each unit and among all units;

7.2.4 Adequately contained, packaged and marked as the Contract may require; and

7.2.5 Conform to the written promises or affirmations of fact made by the Contractor.

7.3 Fitness

The Contractor warrants that any material supplied to the State shall fully conform to all requirements of the Contract and all representations of the Contractor, and shall be fit for all purposes and uses required by the Contract.

7.4 Inspection/Testing

The warranties set forth in subparagraphs 7.1 through 7.3 of this paragraph are not affected by inspection or testing of or payment for the materials by the State.

7.5 Year 2000

7.5.1 Notwithstanding any other warranty or disclaimer of warranty in this Contract, the Contractor warrants that all products delivered and all services rendered under this Contract shall comply in all respects to performance and delivery requirements of the specifications and shall not be adversely affected by any date-related data Year 2000 issues. This warranty shall survive the expiration or termination of this Contract. In addition, the defense of force majeure shall not apply to the Contractor's failure to perform specification requirements as a result of any date-related data Year 2000 issues.

7.5.2 Additionally, notwithstanding any other warranty or disclaimer of warranty in this Contract, the Contractor warrants that each hardware, software, and firmware product delivered under this Contract shall be able to accurately process date/time data (including but not limited to calculation, comparing, and sequencing) from, into, and between the twentieth and twenty-first centuries, and the years 1999 and 2000 and leap year calculations, to the extent that other information technology utilized by the State in combination with the information technology being acquired under this Contract properly exchanges date-time data with it. If this Contract requires that the information technology products being acquired perform as a system, or that the information technology products being acquired perform as a system in combination with other State information technology, then this warranty shall apply to the acquired products as a system. The remedies available to the State for breach of this warranty shall include, but shall not be limited to, repair and replacement of the information technology products delivered under this Contract. In addition, the defense of force majeure shall not apply to the failure of the Contractor to perform any specification requirements as a result of any date-related data Year 2000 issues.

7.6 Compliance With Applicable Laws

The materials and services supplied under this Contract shall comply with all applicable Federal, state and local laws, and the Contractor shall maintain all applicable license and permit requirements.

7.7 Survival of Rights and Obligations after Contract Expiration or Termination

7.71 Contractor's Representations and Warranties. All representations and warranties made by the Contractor under this Contract shall survive the expiration or termination hereof. In addition, the parties hereto acknowledge that pursuant to A.R.S. § 12-510, except as provided in A.R.S. § 12-529, the State is not subject to or barred by any limitations of actions prescribed in A.R.S., Title 12, Chapter 5.

7.7.2 Purchase Orders. The Contractor shall, in accordance with all terms and conditions of the Contract, fully perform and shall be obligated to comply with all purchase orders received by the Contractor prior to the expiration or termination hereof, unless otherwise directed in writing by the Procurement Officer, including, without limitation, all purchase orders received prior to but not fully performed and satisfied at the expiration or termination of this Contract.

8 State's Contractual Remedies

State's Contractual Remedies

8.1 Right to Assurance

If the State in good faith has reason to believe that the Contractor does not intend to, or is unable to perform or continue performing under this Contract, the Procurement Officer may demand in writing that the Contractor give a written assurance of intent to perform. Failure by the Contractor to provide written assurance within the number of Days specified in the demand may, at the State's option, be the basis for terminating the Contract under the Uniform Terms and Conditions or other rights and remedies available by law or provided by the contract.

8.2 Stop Work Order

8.2.1 The State may, at any time, by written order to the Contractor, require the Contractor to stop all or any part, of the work called for by this Contract for period(s) of days indicated by the State after the order is delivered to the Contractor. The order shall be specifically identified as a stop work order issued under this clause. Upon receipt of the order, the Contractor shall immediately comply with its terms and take all reasonable steps to minimize the incurrence of costs allocable to the work covered by the order during the period of work stoppage.

8.2.2 If a stop work order issued under this clause is canceled or the period of the order or any extension expires, the Contractor shall resume work. The Procurement Officer shall make an equitable adjustment in the delivery schedule or Contract price, or both, and the Contract shall be amended in writing accordingly.

8.3 Non-exclusive Remedies

The rights and the remedies of the State under this Contract are not exclusive.

8.4 Nonconforming Tender

Materials or services supplied under this Contract shall fully comply with the Contract. The delivery of materials or services or a portion of the materials or services that do not fully comply constitutes a breach of contract. On delivery of nonconforming materials or services, the State may terminate the Contract for default under applicable termination clauses in the Contract, exercise any of its rights and remedies under the Uniform Commercial Code, or pursue any other right or

remedy available to it.

8.5 Right of Offset

The State shall be entitled to offset against any sums due the Contractor, any expenses or costs incurred by the State, or damages assessed by the State concerning the Contractor's non-conforming performance or failure to perform the Contract, including expenses, costs and damages described in the Uniform Terms and Conditions.

9 Contract Termination

Contract Termination

9.1 Cancellation for Conflict of Interest

Pursuant to A.R.S. § 38-511, the State may cancel this Contract within three (3) years after Contract execution without penalty or further obligation if any person significantly involved in initiating, negotiating, securing, drafting or creating the Contract on behalf of the State is or becomes at any time while the Contract or an extension of the Contract is in effect an employee of or a consultant to any other party to this Contract with respect to the subject matter of the Contract. The cancellation shall be effective when the Contractor receives written notice of the cancellation unless the notice specifies a later time. If the Contractor is a political subdivision of the State, it may also cancel this Contract as provided in A.R.S. § 38-511.

9.2 Gratuities

The State may, by written notice, terminate this Contract, in whole or in part, if the State determines that employment or a Gratuity was offered or made by the Contractor or a representative of the Contractor to any officer or employee of the State for the purpose of influencing the outcome of the procurement or securing the Contract, an amendment to the Contract, or favorable treatment concerning the Contract, including the making of any determination or decision about contract performance. The State, in addition to any other rights or remedies, shall be entitled to recover exemplary damages in the amount of three times the value of the Gratuity offered by the Contractor.

9.3 Suspension or Debarment

The State may, by written notice to the Contractor, immediately terminate this Contract if the State determines that the Contractor has been debarred, suspended or otherwise lawfully prohibited from participating in any public procurement activity, including but not limited to, being disapproved as a subcontractor of any public procurement unit or other governmental body. Submittal of an offer or execution of a contract shall attest that the contractor is not currently suspended or debarred. If the contractor becomes suspended or debarred, the contractor shall immediately notify the State.

9.4 Termination for Convenience

The State reserves the right to terminate the Contract, in whole or in part at any time, when in the best interests of the State without penalty or recourse. Upon receipt of the written notice, the Contractor shall stop all work, as directed in the notice, notify all subcontractors of the effective date of the termination and minimize all further costs to the State. In the event of termination under this paragraph, all documents, data and reports prepared by the Contractor under the Contract shall become the property of and be delivered to the State upon demand. The Contractor shall be entitled to receive just and equitable compensation for work in progress, work completed and materials accepted before the effective date of the termination. The cost principles and procedures provided in A.A.C. R2-7-701 shall apply.

9.5 Termination for Default

9.5.1 In addition to the rights reserved in the contract, the State may terminate the Contract in whole or in part due to the failure of the Contractor to comply with any term or condition of the Contract, to acquire and maintain all required insurance policies, bonds, licenses and permits, or to make satisfactory progress in performing the Contract. The Procurement Officer shall provide written notice of the termination and the reasons for it to the Contractor.

9.5.2 Upon termination under this paragraph, all goods, materials, documents, data and reports prepared by the Contractor under the Contract shall become the property of and be delivered to the State on demand.

9.5.3 The State may, upon termination of this Contract, procure, on terms and in the manner that it deems appropriate, materials or services to replace those under this Contract. The Contractor shall be liable to the State for any excess costs incurred by the State in procuring materials or services in substitution for those due from the Contractor.

9.6 Continuation of Performance Through Termination

The Contractor shall continue to perform, in accordance with the requirements of the Contract, up to the date of termination, as directed in the termination notice.

10 Contract Claims

All contract claims or controversies under this Contract shall be resolved according to A.R.S. Title 41, Chapter 23, Article 9, and rules adopted thereunder.

11 Arbitration

The parties to this Contract agree to resolve all disputes arising out of or relating to this contract through arbitration, after exhausting applicable administrative review, to the extent required by A.R.S. § 12-1518, except as may be required by other applicable statutes (Title 41).

Price Sheet

Instructions

The price submitted for each line item shall be the price of the base radio. For each line item proposed, additional information shall be provided. The required information is called out in the Attachment entitled "Additional Pricing Information".

For all optional accessories, acceptable responses shall be in one of three formats. If they are provided with the radio at no additional price the 'price' shall be listed as 'Standard'. If the option can be provided at an additional price, the dollar amount shall be indicated. If the specifications do not require the accessory (as in a Basic model), the 'price' shall be listed as 'N/A'. Please refer to the specifications to determine which accessories are desired.

Please note - ALL PRICE LINE ITEMS MUST HAVE SOME NUMBER IN THE PRICE FIELD. If the proposal does not include a certain price line item please indicate this by writing '0' in the price field.

Questionnaire

Instructions

Offeror(s) should complete the entire questionnaire section of the Request for Proposal. The offeror's responses should be in the form of a brief written narrative demonstrating the offeror's ability to satisfy the Scope of Work. The narrative should describe a logical progression of tasks and efforts starting with the initial steps or tasks to be accomplished and continuing until all proposed tasks are fully described. The language of the narrative should be straightforward and limited to facts, solutions to problems, and plans of proposed action. The use of technical language should be minimized and used only to describe a technical process (See Special Instructions to Offerors paragraph entitled, "Questionnaire Section").

Questions

1. State of Arizona Purchasing Card (PCard) Program: Will your firm commit to utilizing this program as a method of receiving payments? If yes, please specify any additional discount percent (%) offered for program use. Additional program information is specified in Scope of Work section 1.2.1.

2. Women-Owned/Small Minority-Owned Business Enterprise Subcontract Program: Provide detail concerning your firm's program, emphasis should be placed on the specific areas, percent (%) contract commitment and how the program will be administered and managed (inclusive of reporting requirements). Additional program information is specified in Scope of Work section 1.2.2.

3. Contractor Support/Business Capacity: Describe in detail your firm's business capacity or ability to perform under a statewide contract (multiple agency accounts with delivery points located throughout the State)as specified in Scope of Work section 1.2.3.1

4. Contractor Support/Statewide Delivery: Detail your firm's inventory and transportation (delivery) capacities and how they relate to satisfying statewide/multiple agency needs (reference Scope of Work 1.2.3.3).

5. Contractor Support/Administrative Support: Identify all Key personnel within your firm who will be directly involved in managing and providing support services under the contract. Emphasis should be placed on the following: Customer dispute resolution services (at transaction level); Multiple account set up and management services, Expediting services (order follow up); Customer Assistance, general help and order assistance; and Maintenance of data management and contract reporting program (reference Special Terms and Conditions for reporting requirements). See Scope of Work sections 1.2.3.1 through 1.2.4.5. Submission may be in the form of an organizational chart or narrative covering all areas.

6. References: Provide a minimum of 3 verifiable professional business references that are able to comment on their experience with working with your firm and key personnel. These references should have a past or current business relationship with your firm that is similar in size and scope to those contained in this proposal. Your response should include the references business name, address, contact name, telephone and e-mail address.

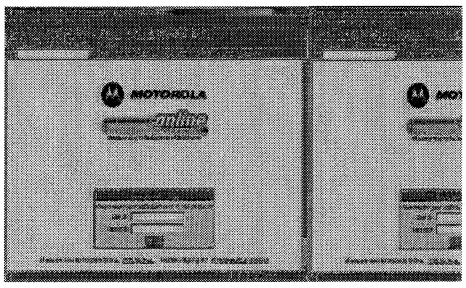
ELECTRONIC CATALOG (ECAT)

Motorola recognizes the configuration challenges given the wide array of equipment and has a full staff of local sales, marketing, support, engineering and field service personnel to help the State of Arizona procure the most suitable equipment to enable State Agencies and Cooperative Purchasing Members put the right equipment on the front line.

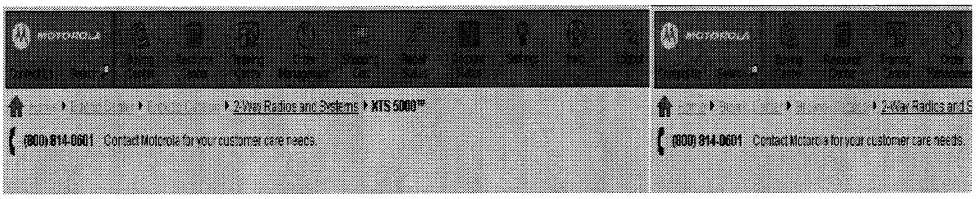
Motorola Sales & Marketing share the same information using the Electronic Catalog (ECAT or Motorola Online) whether discussing a configuration with your local Motorola Sales Representative, Agent, Manufacturers Representative or Motorola assistance on the (800) support line:

ECAT enables instant access of equipment configurations, models, pricing, availability, new product introductions, intent to cancellation notices and product bulletins. Provided in this proposal are hard copies of the proposed equipment from ECAT and an updated CD will be provided to the SPO along with the Usage Report on a quarterly basis to comply with the Capacity of Offeror.



Motorola ONLINE provides secure access of Motorola's information, making it easier to "Do Business with Motorola" on your schedule 365 days a year, 7 days a week and 24 hours a day.

Motorola Local Support provides contact and up-to-date vital information when personal attention is required to support large or small equipment procurements. In 2005, Motorola will open up the participation to State Agencies and Cooperative Purchasing Members who are listed in the Motorola SPO Usage Reports to attend to the Arizona Motorola Trunked User Group (MTUG) and Arizona Motorola Utility Trunked User Group (MUTUAL). MTUG/MUTUAL Conferences are held quarterly in Arizona and provide information on Motorola Products and Services for the ongoing system maintenance and migration to the latest technologies.



Motorola support for equipment procurements via the State Contract are also available from our Agents & Manufacturing Representatives in specific geographic assignments throughout Arizona.
