The Maricopa County Trail Commission is conducting the first in a two-set series of public open house meetings to gather feedback and input about corridor plans for the **Maricopa County Regional Trail System**. Being evaluated during this second phase is the corridor connecting Spur Cross Ranch Conservation Area to McDowell Mountain Park to Usery Mountain Recreation Area to San Tan Mountain Park.

Your input will be sought on trail routing, placement and physical design.

Your comments during this crucial phase is an integral part of the study process. Study team members from the Maricopa County Department of Transportation (MCDOT) will be available to answer questions and take comments. Plan to attend the meeting in your community and learn more about this exciting regional project. Reasonable accommodations may be made available for people with disabilities with a minimum 72-hour notice. Call (602) 506-8003 for information.
