The Maricopa County Board of Health will host a Public Meeting to discuss proposed code revisions to the Maricopa County Environmental Health Code (MCEHC). The subject matter to be discussed includes:

Case #/Title: ES-2014-003/Food Service Worker Certification

Overview: Revise MCEHC Chapter VII to align with the recently enacted A.R.S. § 11-269.12 Food handler training and certificate. Through emphasizing training this change will allow for an open marketplace for Food Employees or Food Service Workers (FSW) to receive training from any entity meeting A.R.S. § 11-269.12 requirements. Demonstration of Food Employee training can be shown through a valid certificate from a training course meeting State Statute requirements or by having a valid Arizona County issued FSW ID card or certificate. This proposal is following the EROP policy and workflow process and no fee changes are requested.
