DONATE TO MCACC AT THE MARICOPA COUNTY HOME SHOW

March 4, 5 and 6

MCACC takes in 55,000 dogs and cats each year.

MCACC is the largest adoption agency in Arizona, adopting out almost 15,000 dogs and cats last year.

MCACC is committed to ending pet homelessness by:

* Increasing low and no-cost spaying and neutering throughout the community to reduce shelter intake;
* Increasing adoptions by bringing more traffic to our shelters and taking animals to locations in the community;
* Reducing euthanasia by increasing rescue partnerships and foster families; Increasing number of animals protected against rabies with more vaccination clinics;
* Encouraging responsible pet ownership through expanded public awareness and humane education;
* Bringing necessary services directly to vulnerable neighborhoods with our Uno por Uno program

Help support MCACC's valuable programs at the Home Show.
