Action Requested:
Approve a five-year sole source contract with Election Systems & Software for the purchase of Gemini VII voting booths. Total contract expenditures will be approximately $360,000 over the contract term depending on the number of new voting precincts created in the upcoming years.

Complete description of action requested:
The Elections Department requests approval of a five-year sole source contract with Election Systems & Software for the purchase of Gemini VII voting booths. The Elections dept currently has over 5,400 Gemini VII Voting booths, a standard number of booths are packaged with the voting machines sent to each of the County's 1,142 precincts. The Gemini VII is a two booth package which allows for easier storage in the Elections Dept warehouse and shipping to the voting precincts. The Elections Department knows of no other vendor offering voting booths comparible with our current inventory.

PERFORMANCE INFORMATION:
Program:Elections.
Activity:Warehouse.
Performance Measure:Number of precincts supplied.
Anticipated Results:By approving this sole source contract, the Elections Department will have the necessary quantity of voting booths required to conduct elections within Maricopa County. The Gemini VII voting booths meet the configuration requirements of current storage facilities within the warehouse, allowing for easier storage and transportation to and from voting precincts.

Expenditure Impact by FY(s):
FY 2006-07 $120,000 FY 2008-09 $120,000 FY 2010-11 $120,000
