## Directions & Parking

No matter what Phoenix Convention Center event you are attending, you will enjoy convenient parking within a comfortable walking distance of your destination. The convention center has three main buildings—the West Building, the North Building and the South Building—with parking nearby. Most event tickets and registration information will advise guests on which parking garage to use during their visits.

### **Regency Garage:**

This garage is located directly across Second Street from the West Building between Washington and Adams streets.

### **Jefferson Garage:**

This above ground parking structure is located directly south of the South Building of the Phoenix Convention Center, with entrances on the east, west and south sides. **Note:** Jefferson Street is one-way going east; Third Street is one-way going south.

### **East Garage:**

This above ground parking structure is the largest in the area and is located directly east of the South Building and southeast of the North Building. Entrances are available off of Washington (one-way westbound) and Jefferson (one-way eastbound) streets.

### **Heritage Garage:**

This garage is located next to Heritage Square and the Phoenix Museum of History, just east of the North Building. Enter this garage from Fifth or Monroe streets.

### **West Garage:**

Enter the underground parking in the West Building of the Phoenix Convention Center off of Second Street, just south of Monroe Street. It is directly across Second Street from the Hyatt Regency Hotel.

### **North Garage:**

This garage is located below the North Building. Enter this garage from Monroe Street, just west of Fifth Street.
