Hyatt Legal Plans is pleased to announce that we have broadened our coverage under the Family Law Services of your Legal Plan.

Previously the legal plan only provided coverage for uncontested adoption. Now, the Plan provides coverage for Contested and Uncontested Adoptions.

This new expanded service covers all legal services and court work in a state or federal court for an adoption for the Plan Member and spouse. Legitimization of a child for the Plan Member and spouse, including reformation of a birth certificate, is also covered.

For additional information on covered services, visit our website at www.legalplans.com.
