

Market Range Detail - Health Educator

Effective Date

August 20, 2008

Market Range Title Description

Positions assigned to this market range title are responsible for evaluating clients and community health educational needs in order to determine the stages of readiness and appropriate level of educational services to provide. Positions are responsible for developing, recommending, implementing, presenting, teaching and marketing health education programs designed to increase awareness and knowledge relating to the improvement of health for individuals, families and/or the community; preparing and maintaining databases and records; reporting on educational efforts, program changes, participation and client successes. Incumbents are expected to keep abreast of health care changes and community health care awareness; maintain timeliness of health education programs; coordinate and partner with other agencies, organizations and groups to utilize and develop existing health education resources; establish and maintain working relationships. Positions assigned to this market range title include Senior/Lead positions responsible for overseeing daily workloads; providing technical assistance and training, feedback, coaching, and guidance to less experienced staff; and overseeing daily performance. Incumbents may assist in the development of annual budgets.

Glossary:

Market Range Title: Broad grouping of related positions with like job responsibilities and qualifications. Market Range Titles typically include positions ranging from entry level to senior/lead level unless indicated otherwise.

Effective date: The date the salary range was implemented for use.

Market Range Title Description: Broad description of sample job duties and responsibilities of positions included in the Market Range Title. Each position included in a Market Range Title also has a job description that is specific to the department. Departments are responsible for writing and maintaining job descriptions for positions in their department. Employee Compensation is responsible for writing and maintaining Market Range Title Descriptions.

Likely Minimum Qualifications: Typical minimum qualifications for positions assigned to the Market Range Title. Because a broad group of jobs in different departments are included in a Market Range Title, minimum and preferred qualifications may vary slightly depending on the area of assignment.

Market Range: The minimum, midpoint, and maximum salary points for all positions included in the Market Range Title.

Hiring Range: The hiring range for all positions is ordinarily the minimum of the market range to the midpoint. The use of a different hiring range must be approved by Employee Compensation. Departments should use a hiring range that is within their funding capabilities and are required to comply with the County's Funded Position Policy ensuring that applicants are extended a rate that is supported by the department's budget.

Working Title: The specific title used by a department to identify a position within their organizational structure. Use of working titles is flexible and aimed to assist departments in identifying the unique functions and responsibilities of each position and is representative of the assigned Market Range Title. Ordinarily, supervisory and/or managerial titles should not be used for positions not assigned to a supervisory and/or manager Market Range Title.
