

The Justice System and The Community Working Together for Our Youth

Maricopa County
invites you to participate in an
upcoming community forum.

The forum will provide an opportunity to meet the leaders of our Juvenile Justice System. They will answer questions and discuss issues and concerns affecting our families, youth and community.

You are also invited to participate in upcoming community planning sessions. These sessions will provide an opportunity for us to work together to address juvenile delinquency.

PLEASE JOIN US!

Tuesday, January 29, 2008
