Detailed code revision language incorporating previous stakeholder input will be presented and reviewed.

**Case #/Title:** ES-2013-006/Confectionary Food Establishment

**Overview:** Revisions to MCEHC Chapter VIII

This proposed revision would create a new permit (and applicable plan review and permit fees) to allow citizens of Maricopa County to prepare bakery and confectionary items for direct sale to consumers and wholesale to other permitted food service establishments within Maricopa County. The permit definition would establish these food items as an approved food source for sale by other permitted food establishments in Maricopa County.
