**MARICOPA COUNTY ENVIRONMENTAL SERVICES DEPARTMENT ENFORCEMENT
PROCEEDINGS FOR AUGUST 2006**

(Phoenix)-- The Environmental Services Department initiated legal action against the listed facilities/establishments or individuals in August 2006 for violations of the Environmental Health Code. The Environmental Services Department uses one of the following methods of legal action to enforce the Environmental Health Code.

•**A Permit Revocation** may be initiated against a facility/establishment that has not demonstrated compliance or has been found in violation of any applicable code. Permit revocation may also be initiated against trailer parks, hotels, semi-public swimming pools, and retail food establishments.

•**A Permit Suspension** may occur immediately for serious environmental health code violations, which pose a major health hazard. The facility/establishment would not be permitted to operate.

•**Citations** are issued for violations of the health code. The citation directs the defendant to appear for arraignment in Justice Court.

•**Cease and Desist Orders** are issued for serious violations of the environmental health code. The violation must be corrected immediately and a hearing may be requested. Disregarding the order will result in injunctive action in Maricopa County Superior Court.
