 - 2. support services or overhead items that are compensated through Contractor's Contract Rate including such things as secretarial services, typing, leaving messages, **transmitting documents by facsimile**, mailing letters and photo copying; or
 - 3. activity that does not substantially advance the Client's case such as waiting for meetings, unanswered telephone calls, leaving a message, or setting up a meeting or conference.
- C. Client means a person who receives services from Contractor pursuant to an assignment by OCC.
- D. Contract means this document and all attachments hereto.
- E. Contract Administrator means the agent designated by the County Administrative Officer to develop, administer and monitor the contracts for OCC.
- F. Contractor means the person listed on the Cover Page of the Contract.
- G. County means Maricopa County and is synonymous with OCC.
- H. Credit is one assignment **entitling** Contractor to the base compensation ~~required by the base compensation~~ as provided in Section III (Compensation) of the Contract.
- I. Extraordinary compensation means the calculation of additional compensation beyond that provided by contract. Extraordinary compensation must be negotiated between the Contract Administrator and the Contractor, in writing, based on the facts of the individual case and Contractor's overall compensation under the entire contract.
- J. Fiscal Year is ~~conterminous~~ **concurrent** with the County's fiscal year and which is comprised of the 12 consecutive months from July 1 to June 30.
- K. OCC means the Office of Contract Counsel and is synonymous with Maricopa County.
- L. Parties or Party mean OCC, the County and Contractor as the context requires.

- M. Reimbursable Expenses means expenses which are (1) reasonable and necessary; (2) for the legal representation of a Client; and (3) approved in advance by the Contract Administrator. Reimbursable expenses do not include (1) items that are compensated through billable time; (2) secretarial expenses; (3) travel within Maricopa County; (4) expenses for stationery, postage, envelopes, transmission by facsimile, parking and supplies; (5) fees for the issuance of subpoenas **or for copies of documents** charged by the Clerk of the Court; or (6) other items that are an ordinary cost of doing business, including, but not limited to, the transcription of interviews conducted by the Contractor or any other person.
- N. Representation means the services that Contractor provides to a Client in a specific legal matter.
- O. Trial means participation in a court hearing at which jeopardy (**preclusion**) has attached, witnesses are sworn, and testimony is taken. A trial day is ~~3.5~~**5.0** or more hours of **actual** trial time; a half-day is less than ~~3.5~~**5.0** hours.

2. TERM

The Contract begins on July 1, 2004 (the "Commencement Date") and expires on June 30, 2007, unless extended, amended or terminated consistent with the provisions of the Contract.

3. RIGHT TO EXTEND CONTRACT

The County may, at its option and with the approval of Contractor, extend the term of the Contract up to a maximum of 3 additional one-year periods. Contractor shall be notified in writing by OCC of the County's intention to extend the contract period at least 30 calendar days prior to the expiration of the original contract period. Nothing herein shall be construed to guarantee that the County will subsequently extend or award a Contract.

4. DEFAULT, SUSPENSION AND TERMINATION

- A. The Contract Administrator may suspend, modify or terminate the Contract upon Contractor's failure to perform or upon the occurrence of an event that may cause or result in Contractor's failure to perform any requirement of the Contract. Failure of performance shall include failure by Contractor to fulfill the reporting requirements of the Contract. Additionally, Contractor's contract may be terminated due to economic events that may have an adverse effect on the Office of Contract Counsel's budget **or material change in circumstances including, but not limited to, reduction in the number of cases to be assigned at a given location of the Maricopa County Superior Court or any of its lower courts.** ~~Termination will be based on the applicant's score and the court facility that is showing the greatest impact.~~
- B. The County may terminate the Contract as follows:
 - 1. No Cause: Upon thirty (30) days written notice to Contractor.
 - 2. For Cause: Immediately upon written notice to Contractor.
- C. Contractor may terminate this contract upon 30 days written notice to the Contract Administrator. Contractor's termination of a contract(s) does not terminate Contractor's duty to continue representing those cases/persons assigned to Contractor prior to the effective date of termination. See paragraph 6(D) below.

5. **NON-EXCLUSIVE STATUS**

OCC may ~~contract provide~~ for the same or similar professional services through persons ~~or firms~~ other than Contractor. **This provision applies to OCC only and does not confer upon any Contractor permission to substitute performance in any way without the express written consent of OCC.**

6. **CONTRACTOR'S RESPONSIBILITIES**

- A. Effective Representation. Contractor shall ~~provide~~ **effectively represent the Client including:** ~~legal representation of the Client including, but not limited to, the following:~~
1. contacting **and conferring with** the Client concerning the representation within a **maximum of 48 hours of Contractor's** notice of appointment;
 2. maintaining reasonable contact with the Client until the representation is terminated;
 3. using reasonable diligence in notifying the Client of necessary court appearances including any court action that arises out of the Client's non-appearance; and
 4. conducting such interviews and investigation as are appropriate; and
 5. appearing in court on time at whatever time the court designates.
- B. Accept Assignments. Contractor shall accept all assignments made by the Contract Administrator unless Contractor is not ethically permitted to accept the Representation under the ~~Arizona~~ Rules of Professional Conduct.
- C. Replacement Representation. In the event Contractor becomes unable to complete an assignment and is allowed to withdraw, Contractor immediately shall report the circumstances to OCC so that OCC may appoint replacement counsel. OCC may require Contractor to account for the time Contractor has actually expended and to return any payment for the representation where appropriate.
- D. Continuing Representation. Contractor has a continuing duty to represent Clients until the court has terminated the representation. Termination of a contract(s) by either the County or the Contractor does not terminate Contractor's duty to provide services in those cases assigned prior to the effective date of termination. The County will not compensate Contractor for services rendered after termination or expiration of the Contract absent extraordinary circumstances.
- E. Removal for Failure of Performance. In the event a Court removes Contractor from representation due to any failure of performance relating to the representation, Contractor shall reimburse the County for any payment made to Contractor relating to the representation and provide a written explanation of the failure of performance.
- F. Determination of Indigence. Contractor shall notify the court and request a re-determination of the Client's indigence if reasonable grounds exist to believe that a Client is not indigent. In the event the court permits Contractor to withdraw from the representation, Contractor may not represent the Client for a fee arising out of that representation without prior written approval of the Contract Administrator. In the event the court permits Contractor to withdraw from the representation, Contractor shall notify OCC of ~~that ruling~~ the determination that the client is not indigent.

- G. No Additional Compensation. Contractor may not solicit or accept private or additional compensation of any kind, including attorneys' fees ~~or damages~~, in any matter that relates to or arises out of a pending assignment or representation other than compensation as specified in the Contract.
- H. Records and Reports. Contractor shall create and keep detailed and accurate case logs, final disposition records and time sheets relating to the representation. Contractor will report on a timely basis data and statistics periodically to the Contract Administrator in the manner prescribed by OCC. Failure to submit case logs, final disposition records and time sheets in the time and manner specified by OCC will result in withholding compensation until the contractor is in compliance. Contractor shall make available for inspection and copying by the County all records and accounts relating to the work performed or the services provided under the Contract except any document that is privileged as an attorney-client communication. Contractor shall safeguard confidential and privileged information in accordance with all applicable laws, rules, and regulations. See Section I, Part 6, subsection T.
- I. Cooperation. Contractor shall assist the County in monitoring Contractor's performance of the Contract. Contractor shall cooperate with other OCC Contractors and staff and shall carefully plan in order to perform duties under this contract timely and effectively. Contractor shall not commit or permit any act that will interfere with the performance of work by the Contract Administrator, any **other** Contract Attorney or their staffs. Contractor shall notify OCC if any non-contract counsel enters an appearance on behalf of a criminal defendant or a Knapp v. Hardy or other basis.
- J. Vacation Days. Contractor may designate 10 **business** days during the term ("Vacation Days") for which no appointments will be accepted provided, however, that the last 10 days of the contract term may not be designated as Vacation Days unless Contractor has received the total number of assignments authorized pursuant to the Contract. Contractor shall facilitate the orderly scheduling of cases by notifying OCC, in writing, at least 14 days prior to invoking this provision.
- K. Substitute Performance. This is a personal services contract between Contractor and the County. Contractor may substitute performance only 1.) through a conflict-free Contract Attorney; and 2.) with ~~the~~ **prior** written consent of the Contract Administrator. No previous substitute performance agreements are recognized or accepted by OCC simply because a previous Contract Administrator gave verbal or written consent to such agreements. Any previous consent to such agreements is revoked. Contractor shall provide a substitute performance only in the event Contractor is ill, on approved vacation, or otherwise **physically** unable to appear at any court proceeding. Notwithstanding the foregoing, Contractor shall remain primarily responsible for the performance of the Contract. **Similarly, because this is a personal services contract, Contractor is expected to personally attend each and every court or court-related proceeding. Any process or procedure, formal or informal, for the "coverage" of court appearances or court-related proceedings by other Contractors, other lawyers employed by Maricopa County, or any other persons will not be recognized or accepted by OCC.**

- L. Requests for Expenditures. Contractor shall submit for approval by the Contract Administrator all requests for payment of expert witness fees, travel expenses, publication of legal notices, **investigators, mitigation specialists in capital cases only** ~~social workers~~, service of process ~~(other than local service)~~, court transcript fees and other **reasonable and necessary** expenditures. Contractor may not incur any expense for the account of the County without prior approval of the Contract Administrator. Failure to obtain prior approval will result in non-payment for the expenditure and the debt shall become the personal responsibility of the Contractor. A copy of the approval must be given to the approved experts, transcriptionist, investigators, newspapers etc. for their billing purposes prior to the commencement of their work. If an approved expert, transcriptionist, investigator or other **approved supplier of goods or services** ~~person~~ exceeds the OCC approved amount for the expenditure, OCC is not obligated to pay any such overage and it becomes the personal responsibility of the Contractor. When billing for reimbursement, receipts for all expenses must be included ~~attached~~. All expenses must be approved by OCC prior to ~~the inception of the expense to being incurred~~. **Bills for expenses incurred prior to approval by OCC will not be honored or ratified.**

OCC will not reimburse Contractor for office supplies, secretarial or other staff services, transcripts of witness interviews or any other type of expense that involves the general cost of doing business including, but not limited to, long-distance telephone calls, unless approved in advance by the Contract Administrator as an extraordinary expense.

- M. Investigators. Contractor shall submit for approval by the Contract Administrator any request for appointment of an investigator. OCC will appoint an investigator from a group of contracted investigators and specify ~~approve a specific~~ a maximum number of billable hours to be expended by the investigator on the case. Contractors no longer have the ability to designate which investigator he/she may want. Any such designation will be done by OCC. Contractor will be responsible for reviewing and certifying the investigator's billings prior to payment by OCC.

Additionally, conducting witness interviews arranged by the prosecution is not the responsibility of the investigator. Conducting these interviews is the responsibility of the assigned lawyer unless the lawyer cannot be present due to illness or other unforeseen emergency. Then, and only then, will investigators be permitted to bill for the time spent conducting this type of interview.

- N. Mitigation Specialists. **In capital cases only**, Contractors may submit for preliminary approval by the Contract Administrator any request for appointment of a mitigation specialist. If the nominated mitigation specialist appears to be available to perform the requested work in a timely basis, Contractor will request that the assigned trial judge make the appointment. Only upon the approval of the trial judge will the mitigation specialist be authorized to initiate work on the case. In the event that the mitigation specialist should need additional hours, the Contractor is then responsible for filing a request with OCC which will then forward the request to the court for approval. Failure to obtain prior approval **for the work of a mitigation specialist** will result in non-payment and the debt shall become the personal responsibility of the Contractor. A copy of the trial court's order of appointment must be given to the appointed mitigation specialist ~~prior to the commencement of any work either at the outset of, or during, an appointment at the earliest possible date.~~

- O. Appointment of Interpreters. ~~Court~~ Interpreters **from Maricopa County's Office of Court Interpreters** ~~will~~ **shall** be used for non-English-speaking clients as ~~reasonable and necessary~~ for all court proceedings and out-of-court matters.
- P. Requests for Court Authorization. Any request made of any Court for any order directing any action or payment by OCC or Maricopa County must be served upon the Contract Administrator in compliance with the Rules of Civil Procedure regarding **service and giving** notice of motions. See also see Section I, Part 6, subsection S.
- Q. Compliance with Law. Contractor will comply with all laws, including rules and regulations of all governmental accrediting and regulatory authorities, including the State of Arizona, relating to the licensure and regulation of attorneys. In the event the Contractor is suspended by the Arizona State Bar, on an interim or other basis, Contractor must notify OCC of this suspension so that appointment of cases may be stopped. Failure to comply with such notice will result in termination of Contractor's contract(s).
- R. Technological Equipment. Contractor must possess the following equipment to meet the needs of OCC appointment protocol: ~~effective July 1st:~~
1. Desktop ~~computer operating system~~ or laptop computer,
 2. Microsoft Office Suite ~~Windows~~ Software and Adobe Reader;
 3. E-mail address; and
 4. Pager and/or cell phone.
- S. Court Orders for additional compensation. In the event that a Contractor files a motion with any Court for additional compensation **or any expenditure in addition to that provided for under the terms of the contract,** ~~that otherwise would not be covered under the contract,~~ Contractor must timely serve a copy of the motion upon OCC. Failure to give OCC notice of a motion for additional compensation **or expenditure** on a timely basis will result in either suspension or termination of the contract.
- T. Monthly Case Logs. All **case** logs must be returned via ~~Internet~~ e-mail to OCC by the date designated by ~~the department~~ OCC. This includes all changes to case dispositions, hours-to-date and possible credits. Failure to submit case logs by the designated date will result in the withholding of Contractor's monthly contract payment or other payments made by the department on a case-by-case basis until such documentation is provided.
- U. Reporting and Billing periods. Any case reported to OCC **for the first time** that is six (6) months old or older from the date of appointment will not be compensated by OCC. In addition, no service rendered by Contractor that is six (6) months old or older will be paid by OCC. Any such claim must be submitted to the ~~Office of County Counsel~~ Maricopa County Board of Supervisors.
- V. Attorney Complaints. Any complaint made about a Contractor will be forwarded to Contractor with a request for a response to the complaint. The Contractor must respond to the complaint in writing within 10 days and submit a copy of Contractor's response ~~thereof~~ to OCC.

7. **AVAILABILITY OF FUNDS**

Contractor and the County acknowledge that the continuation of any contract after the close of the County's fiscal year, (on June 30 of each year), is contingent upon the approval of a County budget that identifies such contract as an authorized expenditure. The County does not represent that any budget item will be actually adopted. The approval of such expenditures is the exclusive province of the Maricopa County Board of Supervisors at the time of the adoption of the budget.

8. **INDEPENDENT CONTRACTOR**

- A. Contractor's relationship to the County is that of ~~shall be as~~ an independent Contractor and not as an employee.

- C. No persons **or services utilized** ~~supplied~~ by Contractor in the performance of obligations under the Contract are considered to be County employees, and no rights of County civil service, retirement or personnel rules accrue to such persons. Contractor shall have complete responsibility for all salaries, wages, bonuses, retirement withholdings, worker's compensation, and other employee benefits and all taxes and premiums relating to such persons, and shall defend indemnify and ~~save and~~ hold the County harmless ~~with respect to these responsibilities in the event of a claim for one or more of them is brought against Maricopa County~~ for any and all claims, suits, liability and damages which the County may incur because of Contractor's failure to pay such taxes or obligations.

9. **RIGHTS IN DATA**

The County shall have the use of data and reports resulting from the Contract without cost or other restriction. The County shall have complete discretion to create or prepare reports or compilations of data relating to the Contract. The data and reports or compilations of data are public records under Arizona law.

10. **MALPRACTICE INSURANCE**

- A. Contractor will provide to the Contract Administrator a declarations page for a current certificate of insurance for errors and omissions (professional malpractice) coverage in an amount not less than 250,000/~~500,000~~. Errors and omissions coverage ~~insurance~~ must remain in force during the entire term of the Contract. In the event Contractor's insurance is terminated or suspended, Contractor shall immediately **give written notice to** ~~notify~~ the Contract Administrator. Failure to provide proof of errors and omissions coverage during any period of the contract shall result in its **immediate termination for cause**. Proof of errors and omissions coverage is due on the first day of the second month of the effective date of the contract.
- B. Contractor shall not be entitled to **liability** coverage or costs of defense from County or its Self-Insurance Trust from liability or **any** other claims arising from Contractor's performance under the Contract.

16. **AUDIT AND AUDIT DISALLOWANCES**

Contractor shall reimburse the County for any service or expenditure that is not sufficiently documented in Contractor's books, records and other documents. In the event the County disallows any payment or request for payment pursuant to this section, OCC shall notify Contractor in writing of the disallowance and the required course of action relating to the disallowance. OCC may recover from Contractor any sums due through an action at law or as a setoff or counterclaim.

- B. Contractor's obligations under this section, including the duty of continuing representation, shall survive the termination or expiration of the Contract.

- C. Any dispute concerning the reasonableness or adequacy of the compensation under the Contract shall be resolved by reference to the value of the Contract as a whole and not by reference to a single case or to a portion of the cases that Contractor has performed under the Contract. The value of the Contract as a whole shall be determined by reference to the following factors:

20. FURTHER ASSURANCES AND CORRECTIVE INSTRUMENTS

The Parties will, from time to time, execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered, any corrective instruments as may be reasonably necessary to carry out the intent of the Contract.

21. COMPLIANCE WITH APPLICABLE LAWS

The Parties shall use reasonable efforts to comply with all applicable federal and state laws, rules and regulations.

22. NOTICE

- B. Merger. All prior and contemporaneous contracts, agreements, statements and understandings with respect to the subject matter of the Contract, if any, among the Parties, or their agents, are merged into the Contract, and the Contract shall constitute the entire agreement among the Parties.
- C. Successors. The Contract shall be binding upon and inure to the benefit of, and shall be enforceable by, the successors, assignees and transferees of the Parties.
- D. Third Party Beneficiaries; No Rights Conferred on Others. Any person who is entitled to indemnity 1.) by the terms of the Contract or 2.) by operation of law, is a third party beneficiary of the Contract to the extent only that such status is necessary to fulfill or enforce the indemnification.
- E. Severability; Blue Pencil. Each provision of the Contract shall be construed to preserve its validity and enforceability to the extent possible. If any provision of the Contract is declared void, invalid or unenforceable, the Party who would have enforced the provision may elect whether the provision shall be 1.) modified to the extent necessary to make it valid and enforceable or 2.) excluded from the Contract.
- F. Remedies Cumulative. Any remedy in the Contract is cumulative and is not exclusive of any other remedy, and does it limit any other legal or equitable remedy that may be available to any Party.

24. MISCELLANEOUS

- A. Process Server. Currently, OCC has purchase agreements with E-Z Messenger and Frontier Attorney Services. Once you have a subpoena issued by the Clerk of the Court, contractor may give it directly to one of the firms for service without pre-approval by OCC. You must, however, use the appropriate form so that these firms know to invoice OCC and not you. **All expenditures for service of process must be approved by OCC prior to incurring any such expense. In the event that Contractor does not request and receive OCC's approval before incurring such an expense, Contractor shall be personally responsible for payment of the process server's service invoice.**
- B. Court Reporters

Only appellate and post-conviction relief transcripts are paid directly by OCC. Any other use of court reporters or transcriptionists must be approved beforehand by a Request for Expenditure of Funds. It is the Contractor's responsibility to deliver the approval to the appropriate vendor. As a general rule, when you request transcripts during a trial (to impeach a witness, etc.), you should make it clear to the court reporter that you alone are requesting a transcript of the testimony and that OCC will pay \$2.50 per page for the original only and an additional \$0.30 per page for one copy. If a motion for a new trial is granted, the County Attorney and all defense counsel should share the cost of the transcript of original trial. OCC encourages you to bring this provision to the court's attention **should the parties disagree about sharing the costs**. RUSH (delivery within 5 days) and EXPEDITED (delivery within 10 days) transcription requests are strongly discouraged **and likely to be rejected absent unforeseen exigent circumstances**. OCC requires that Contractor justify such requests with an explanation as to why this additional expense was unavoidable. If the necessity for rush or expedited charges is the result of delay on Contractors part, Contractor will be required to pay any charges beyond the reporter's standard page rate.

C. Audio and Video Tape Transcription

Currently, the only approved contract vendor for audio and video tape transcription is Copperstate Court Reporters. It is the responsibility of each Contractor to deliver the tapes in time to take advantage of the Regular delivery rate (\$2.50/page) of 20 calendar days. The Expedited delivery rate (\$2.75/page) of 10 calendar days and the Rush delivery rate (\$5.00/page) of 1 day will not be approved absent extraordinary circumstances.

D. Travel

All travel for contractors, witnesses or expert witnesses must be pre-approved and scheduled through OCC. If a car rental is necessary, OCC will ask that Contractor supply OCC with Contractor credit card information so that a vehicle may be reserved for Contractor. OCC will work with contractor to make these arrangements.

E. Identification Badges

Identification badges are available to Contract Counsel at no charge. Please contact OCC at (602) 506-7228 to obtain an identification badge.

F. Change of Address/Firm

Please advise OCC promptly in writing of any changes to telephone numbers, e-mail addresses and business addresses. If Contractor's business changes its name, i.e., if you form a new P.C., etc., please remember that this change will modify the contract Contractor has with the Board of Supervisors. OCC asks that you notify OCC in writing.

G. Weapons policy

No weapons, loaded or unloaded, props or real, are to be brought into the courthouse buildings. There are security lockers for storage of these items in the court buildings. If you have questions regarding this policy, call Court Administration at (602) 506-3070.

H. Contractor Residential and Business Locations

Due to the nature of our business, OCC cannot contract with an individual who resides or whose business location is outside of Maricopa County.

I. Multiple Contract Awards.

During this contract period, re-solicitation efforts (subsequent award(s), if requirements demand such, contracts will be awarded, and contractors may hold only "like category" contracts, as defined by OCC (listed below) in the following categories:

1. **Juvenile Delinquency and Juvenile Drug Court;**
2. **Juvenile Appeals and Adult Appeals/PCR;**
3. **Probate, Mental Health and Adult Special Advocacy;**
4. **Juvenile Dependency;**
5. **Juvenile Special Advocacy; and**
6. **Adult Felony and Homicide/Major Felony.**

The contract applications include a cover sheet for applicants to rank their preferences for each of the contract categories and location. Applicants may apply for more than one category of contract and more than one location, but no applicant is guaranteed an award of any, one, or multiple contract categories or a preferred location. If an applicant does not wish to be considered for one or more category of contract, the applicant shall clearly designate that category or those categories with "n/a." In the event that the contractor award(s) are in conflict with the OCC defined "like categories", as listed above, the contractor will be notified of such conflict, and the Contractor, in turn, shall advise OCC, in writing, of the contract they wish to terminate.

J. Adult and Juvenile Contracts.

Effective this contract period, re-solicitation efforts (subsequent award(s), contractors shall no longer be awarded both adult and juvenile contracts with the exception of the appeals contracts.

K. Appointments.

1. **Bench Appointments:** Any and all appointments made from the bench without the consent of OCC will result in non-payment for the case.
2. **Non-contract appointments:** Appointments made to counsel who have not been awarded contracts by the Maricopa County Board of Supervisors will result in non-payment for the case.

L. Billing for Time.

1. All Contractor invoices submitted for payment must contain an itemized statement of hours describing in detail in chronological order the following:

<u>Date</u>	<u>Description of Event</u>	<u>Time (in tenths of an hour)</u>
-------------	-----------------------------	------------------------------------
2. This is a contract between Maricopa County and Contractor. Time for the services of secretaries, paralegals, legal assistants, caseworkers, or any other non-contract person will not be considered when considering hours worked by a Contractor on a case.

M. Total Open Caseload.

1. All Adult Contractors who hold the following contracts are subject to a combined open/pending maximum caseload for all past and present contracts regardless of contract type of 100 OCC-assigned cases (determined by primary case numbers):
 - A. Adult Felony;
 - B. Appeals/PCR;
 - C. Homicide/Major Felony;
 - D. Mental Health;
 - E. Probate; and
 - F. Adult Special Advocacy

2. All Juvenile Contractors who hold the following contracts are subject to a combined open/pending maximum caseload for all past and present contracts regardless of contract types of 260 OCC-assigned cases (determined by primary case numbers):
 - A. Juvenile Appeals;
 - B. Juvenile Delinquency;
 - C. Juvenile Dependency;
 - D. Juvenile Drug Court; and
 - E. Juvenile Special Advocacy.
3. In the event that Contractor's caseload exceeds the applicable threshold, Contractor will be locked in OCC's case management system to prevent future appointments until Contractor's assigned cases fall below the applicable threshold.

N. Office of Contract Counsel's Policies and Procedures.
