STATUS REPORT PROCESS

Status Reports may be required at set dates as a condition of Board of Supervisors approval of certain development applications, including Special Use Permits and Military Compatibility Permits.

FILING AN APPLICATION

To submit a Status Report, the following items are required:

1. A completed and signed application form – 5 copies
2. Verification of current ownership – 1 copy
3. Status Report narrative (see example) – 5 copies.
4. Current photographs of the site – 1 copy.
5. Filing Fee of \$60.00

Status Reports should be submitted to the Planning & Development Department at least one (1) month before the review deadline. Failure to submit a Status Report may be cause for revocation.

If the Status Report indicates substantial compliance with the intent of the original approval and staff can find no contrary evidence, the Status Report will be accepted. The applicant will be informed in writing of this acceptance. Staff may condition the acceptance with a requirement for an additional Status Report in the future.

If there are outstanding issues, staff will accept the status report, but advise the applicant in writing on how to resolve the issues within a certain timeframe. Staff will continue to monitor the project for resolution of the issue within the timeframe given and if necessary pursue alternative resolutions (for example, the original case may be scheduled for a Planning Commission hearing for revocation discussion or a violation case may be initiated).

REVIEW PROCESS

After a complete application is submitted, staff will forward copies of the Status Report to reviewing agencies. Reviewing agencies include the County's Planning, Transportation, Drainage Review, Environmental Services, and Flood Control District Departments. In addition, the application may be sent to representatives of the appropriate fire, school district(s), nearby cities or towns, homeowners' association, and any other appropriate department, agency or group with an interest in the application. Upon receipt of responses from the reviewing agencies, staff will evaluate the Status Report.
