

### **How Do I Use the Discount Card for Pet Prescriptions?**

The Maricopa County/NACo Prescription Discount Card is one of the few prescription discount programs which also covers certain pet medications. Simply ask your veterinarian if your pet's medication has a human equivalent. If it does, obtain a prescription from your veterinarian and take it to a participating pharmacy. The pharmacist should be able to tell you whether the medication is available, and the price of the product.
