

## FEEDBACK FORM ON DUST COMPLIANCE HANDBOOK

The Maricopa County Air Quality Department is developing a field handbook on Rule 310 (Fugitive Dust-Generating Operations). The intent of this handbook is to provide contractors with a handy field guide that will provide guidance on compliance with Rule 310. Your answers to the questions listed below will help us identify key topics to cover in the field handbook. Thank you for your interest on this project.

Please identify three topics for the handbook that would assist you or your team with regulatory compliance.

1. \_\_\_\_\_
2. \_\_\_\_\_
3. \_\_\_\_\_

Please identify what you believe the most difficult area of the rule is to interpret.

---

---

---

What technical terms in Rule 310 are the most difficult to understand?

---

---

(over)

What provision of Rule 310 is the most difficult to comply with?

---

---
