

**CHILD CARE**

**WORKING  
ON WELLNESS  
TOGETHER  
WITH THE YMCA**

## **CHILD CARE**

This unique program offers a significant reduced cost for Child Care.

Child Care includes:

- Preschool Child Care Programs
- Day Camp (Summer, Holiday, etc.)
- Before and After-School Programs
- Overnight Resident Camp

One must become a Maricopa County YMCA Member (Facility Member), in order to receive this child care benefit. Subsequently, as a Facility Member, County employees will receive a preferred rate for ALL programs, compared to a regular non-member.

Plus, this unique partnership will offer an **extra 15% off** your child care cost at the YMCA branch of service (YMCA Home Branch).

## **PRICING:**

Information about child care pricing can be retrieved at the branch or at the call-center (602-404-9622) And, don't hesitate to call the Y call center for the latest information.

## **SUMMER SIZZLES:**

Summer Day Camps are coming up (Yes, it is going THAT fast!) and with this new benefit, having your children participate in one of our summer day camps is a smashing deal. Click on "DAY CAMP" for more information.
