Membership Application

Employee Networks and Affinity groups are one way people can come together to further personal and professional development, promote diversity, meet new people, and network. They are groups whose members share a common interest, such as race, gender, or cultural identity.

About the African American Knowledge Network (AAKN)

Presently the African American Knowledge Network is engaged in increasing its membership and supporting career development of its members for advancement to management positions within Maricopa County. In addition, the Network strives to support local civic and community events whenever possible.

Membership Benefits:

- Learning and development opportunities to enhance professional and personal skills through unique link coach teams and training sessions
- Networking opportunities with County and Community leaders
- Educational opportunities and tuition reimbursement for Maricopa County employees
- Connections to communities through participation in youth programs and community events
- Involvement with diversity and cultural discussions and events

I wish to join Maricopa County African American Knowledge Network
