Resolution Incentive Adoption Special

January 9—15, 2012

Many resolutions include goals to become healthier, lower stress and find love. Having a pet can help you do all three. Pets help you relax, they are a good reason to get out and exercise and they are full of love. To help you start of your year, we are lowering the adoption fees on every dog and cat.

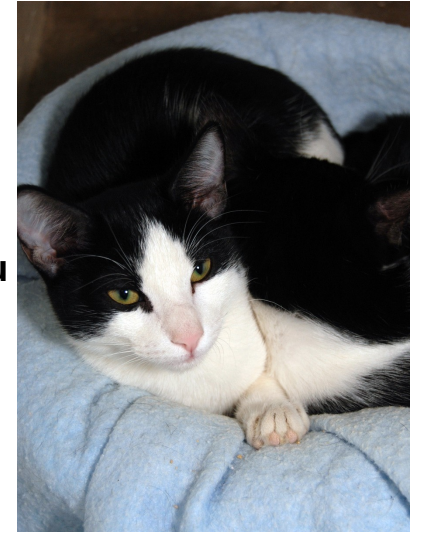

All dogs and puppies can be adopted for \$37.

Cats over a year are \$0 to adopt.

Cats under a year are \$20 to adopt.

Every dog and cat will be spayed or neutered and given age appropriate vaccinations. Dogs over the age of three months will also be licensed.

Keep your pets safe! Microchips are available for only \$25.
