## WELDING SERVICES

### 1.0 INTENT:

The intent of this Invitation for Bids is to establish a service contract for comprehensive welding services to be performed at various Maricopa County facilities. The major user of this contract shall be the Maricopa County Sheriff's Office (MCSO), Food Services Division, for the purpose of repairing food service carts, bakery racks, stainless sinks, wash basins, and other types of metal/steel equipment such as the warehouse racks. The beams of these racks hold up the roof of the building, so experienced/certified structural welders will be required from time to time.. See 2.12.2 Other County departments may use this contract for general welding services and fabrication as needed.

Other governmental entities under agreement with the County may have access to services provided hereunder (see also Sections 2.24 and 2.25, below).

The County reserves the right to add additional contractors, at the County's sole discretion, in cases where the currently listed contractors are of an insufficient number or skill-set to satisfy the County's needs or to ensure adequate competition on any project or task order work.

The County reserves the right to award in whole or in part, by item or group of items, by section or geographic area, or make multiple awards, where such action serves the County's best interest.

### 2.0 SCOPE OF SERVICES:

#### 2.1 BASIC REQUIREMENTS:

The Contractor shall supply all labor, supervision, materials, common expendables, tools, equipment, transportation, and all effort necessary required in repairing food services carts, bakery racks, warehouse racks and other types of metal/steel equipment on-site. Off-site repairs to such equipment shall require pre-approval of the County department. All equipment removed off site for repairs shall become the responsibility of the Contractor (See 2.11 DAMAGE TO COUNTY PROPERTY) while in his possession.

#### 2.2 CONTRACTOR'S SERVICE VEHICLE AND SHOP:

2.2.1 The Contractor's service truck fleet shall carry sufficient supply of welding, supplies, tools, and equipment to perform routine welding services and repairs. The vehicle shall have the capability of fieldwork, inventoried with welding equipment, welding supplies, safety equipment, and other ancillary components. Proof of such must accompany the bid package. This requirement shall be verified after bid submittals and prior to award via the due diligence process of the Office of Procurement Services and the MCSO.

2.2.2 The service vehicle shall have the capability of creating its own energy source, as County sites do not have receptacles that can handle the load of a welding machine.

2.2.3 The Contractor shall have a local shop and/or warehouse in the Phoenix metropolitan area that stocks materials and equipment to keep their trucks supplied daily. Proof of such must accompany bid package.

#### 2.3 TYPES OF WELDING:

The Contractor shall be experienced in Gas, ARC, TIG, and MIG welding procedures and have possession of such equipment. All welding activities shall be performed outside of County buildings, with the exception of stationary equipment (warehouse racks, sinks, basins, showers, etc.)

#### 2.4 SERVICE HOURS:

*NORMAL BUSINESS HOURS* shall be work performed between 6:00 AM to 6:00 PM, Monday through Friday, excluding County holidays.

*AFTER HOURS* shall be work performed after 6:00 PM and before 6:00 AM the next morning and Saturday work.

*SUNDAY & HOLIDAYS* shall be work performed during Sundays or during any County holiday.

2.5 RESPONSE TIMES:

Response time for all field service work during business hours shall be within six (6) hours on-site after Contractor receives request from the County department, with the exception of an emergency request that occurs during business hours, which shall be two (2) hours. *After Hours* and *Weekend/Holiday* request shall have a three (3) hour response time. The six hour response time shall carryover the next working day if called into Contractor's office after 12:00 Noon.

2.6 TRIP CHARGES:

Trip charges are NOT allowable.

2.7 FIELD WORK AND SHOP WORK:

2.7.1 Labor shall commence upon arrival at site and end upon completion of job task when work is performed at the site. If, upon inspection of job, work requires shop work, the Contractor shall be allowed a one (1) hour billable field labor rate (at normal business hours only) for pickup and one (1) hour billable field labor rate (at normal business hours only) for delivery, and shall not exceed these limits. **ALL SHOP WORK SHALL BE PRE-APPROVED BY THE COUNTY DEPARTMENT.** The pickup and delivery charges shall be separately denoted on the invoice.

2.7.2 All shop work shall be billed at **NORMAL BUSINESS HOURS** only. All labor rates are in Attachment A, **PRICING**, as bid.

2.7.3 Field work performed after hours or weekends/holidays shall be allowed a minimum two (2) hour labor rate.

2.7.4 A *laborer* (welder's helper) may be used to assist the welder during either field work or shop work, but must be pre-approved by the County Agency before such work begins. Upon completion of job and subsequent invoicing, the *laborer* charges shall be separately billed and a statement posted on the invoice such as "**LABORER CHARGES PRE-APPROVED BY** (*persons first and last name*)". Invoices that have no such pre-approval statement shall be short-paid less such charges.

2.8 DETENTION FACILITIES:

In detention facilities, service shall be made available to the County 365 days per year. All other facilities, the Contractor has the option to provide service during business hours only.

The Maricopa County Sheriff's Office (MCSO) does not allow a service contractor access into a Detention Facility to perform any type of service unless a background check has been completed. Exhibit 2, Detention Facilities Security Guidelines, explains all the necessary requirements of contractors performing work at such facilities. If it is anticipated a welding contractor who has staff visiting the site on a consistent basis, these forms will be completed by the person requesting facility access and the background check will be completed prior to approving access.

Once the form is filled out and submitted to the MCSO, the Contractor shall be notified if approved. If approved, a list of the approved names will be given to the Detention Facility where the work is to be performed. Only those listed shall be granted access. A pictured ID is required upon entry and must match the name on the approved access list.

Small jobs lasting only a few days or less, the Facilities Maintenance Officer at the facility will complete the background checks.

2.9 REQUIRED BACKGROUND CHECK OF CONTRACTOR EMPLOYEES:

A background check will be a requirement for all employees of Contractor's staff providing services to the County (See also §2.8). This option shall allow the Contractor to access areas within the County such as detention facilities, court buildings, and other restricted areas. The cost of this service shall be incurred by the County. The assessment by the MCSO, as to eligibility of the Contractor's employee, is final and is not appealable.

Pursuant to state law, the information derived from the background check cannot be divulged to the contractor or any other unauthorized party.

2.10 DISRUPTION TO OCCUPANTS:

The Contractor shall perform the work in a way to minimize disruption to the normal operation of building tenants. Upon completion of work the Contractor is responsible for cleaning and removing from the job site all debris, materials, and equipment associated with the work performed.

2.11 DAMAGE TO COUNTY PROPERTY:

In the event damage occurs to Maricopa County property, or any adjacent property by reason of any repairs or installations performed under this Contract, the Contractor shall replace or repair the same at no cost to the County. If damage caused by the Contractor has to be repaired or replaced by the County, the cost of such work shall be deducted from the monies due the Contractor. This shall apply to equipment taken to Contractor's shop for repairs.

**2.21 FUEL COST PRICE ADJUSTMENT:**

2.21.1 This provision provides for limited increased or decreased costs of motor fuels (fuels) used to perform services under this Contract. This provision does not apply to burner fuel (i.e. propane, natural gas, fuel oil, used motor oil). It applies to motor fuel only. Fuel cost adjustments may be either positive or negative. A positive fuel cost adjustment will result in an increase in payments to Contractor while a negative fuel cost adjustment will result in a decrease in payments to Contractor.

**SERIAL 11139-S**

- 2.21.2 This provision is intended to minimize risk to both parties to this Contract due to fuel cost fluctuations that may occur during the term of this Contract. This provision is not designed to estimate actual quantities of fuel used in providing services under this Contract, but to provide a reasonable basis for calculating a fuel cost adjustment based on average conditions.
- 2.21.3 Application of this provision will come into effect upon Contractor submittal of a fuel cost adjustment request. A request may be submitted only when the increased cost of fuel, established as a percentage of total contract price (base fuel cost) upon award of this Contract, exceeds ten (10%) percent of the base fuel cost. The Contractor may request a fuel surcharge no more than four (4) times annually, during the month(s) of March, June, September and December. The request must be submitted no later than the tenth (10<sup>th</sup>) of the month. Any surcharge shall be effective the first of the following month after receipt and approval. The date of County approval of a fuel cost adjustment request shall become the base date for any future Contractor adjustment requests.
- 2.21.4 Contractor shall include, as part of its price bid, the percentage of total contract price fuel represents (e.g., fuel cost equals 10% of Contractor cost) (see also, Attachment A, Vendor Information). This percentage will represent and establish the base fuel cost for this Contract. The base fuel cost shall be established as the due date for submission of proposals for this Contract. All subsequent fuel cost adjustments shall be based upon the date the County approves a Contractor's request for fuel cost adjustment (e.g. fuel cost adjustment approved by County on January 1, 2006, January 1, 2006 becomes base date for any next Contractor request for adjustment).
- 2.21.5 Fuel Cost Application Requirement. The Contractor must provide documentation including type of motor fuel and fuel invoices with price of the fuel used in providing services under this Contract, from the month bids were due and the month of the cost adjustment request, with any fuel cost adjustment application. The fuel cost adjustment application must be completed with all applicable data, and signed by the Contractor.
- 2.21.6 The fuel surcharge shall be based on the current quarterly index of the West Coast (PADD5) Diesel (On-Highway)-All Types or Reformulated Areas Gasoline compared to the previous quarterly index period as reported on the Energy Information Administration (EIA) website: <http://www.eia.doe.gov/>
- 2.21.7 The computation of the fuel surcharge amount shall be determined as follows:
- 2.21.7.1 The fuel cost component from Attachment A (Vendor Information) of the Contract with Maricopa County, multiplied by the percent of change indicated by the EIA report from the previous index period.
- 2.21.7.2 Upon agreement by the County to the surcharge, the County shall issue written approval of the change prior to any adjusted invoicing submitted for payment.
- 2.21.7.3 The surcharge shall be added as a separate line item to the invoice.
- 2.22 STRATEGIC ALLIANCE for VOLUME EXPENDITURES (\$AVE):

The County is a member of the \$AVE cooperative purchasing group. \$AVE includes the State of Arizona, many Phoenix metropolitan area municipalities, and many K-12 unified school districts. Under the \$AVE Cooperative Purchasing Agreement, and with the concurrence of the successful Respondent under this solicitation, a member of \$AVE may access a contract resulting from a solicitation issued by the County. If you **do not** want to grant such access to a member of \$AVE, **please so state** in your proposal. In the absence of a statement to the contrary, the County will assume that you do wish to grant access to any contract that may result from this Request for Proposal.

2.23 INTERGOVERNMENTAL COOPERATIVE PURCHASING AGREEMENTS (ICPA's)

County currently holds ICPA's with numerous governmental entities throughout the State of Arizona. These agreements allow those entities, with the approval of the Contractor, to purchase their requirements under the terms and conditions of the County Contract. Please indicate on Attachment A, your acceptance or rejection regarding such participation of other governmental entities. Your response will not be considered as an evaluation factor in awarding a contract.

- 3.5.6 County reserves the right to request and to receive, within 10 working days, certified copies of any or all of the herein required insurance certificates. County shall not be obligated to review policies and/or endorsements or to advise Contractor of any deficiencies in such policies and endorsements, and such receipt shall not relieve Contractor from, or be deemed a waiver of County's right to insist on strict fulfillment of Contractor's obligations under this Contract.
