6.4.3.1 Require the Contractor to take necessary action to ensure that future performance conforms to Contract requirements; and

6.4.3.2 Reduce the Contract price to reflect the reduced value of the services performed.

6.4.4 If the Contractor fails to promptly perform the services again or to take the necessary action to ensure future performance in conformity with Contract requirements, County may:

6.4.4.1 By Contract or otherwise, perform the services and charge to the Contractor any cost incurred by County that is directly related to the performance of such service; or

EXHIBIT B
SCOPE OF WORK

1.0 INTENT:

Justware replaced the IRIS Case Management application in November 2013. There are still four databases to be converted from Time Matters and CACE. Public Defenses Services (PDS) wants continued consulting services to complete remaining database conversions.

Additional services are needed for development within the JustWare Application Programming Interface (API), which is a software add-on component that provides the ability for developers to create software programs that can read and write data to and from their instance of JustWare via a published supported application programming interface. The vendor for Justware (New Dawn) does not provide API support.

These services are a continuation of consulting services that the Justware team has been utilizing since September 2012. The new services will provide additional development support in order to expedite completion of programming tasks.

2.0 SCOPE OF WORK:

Consultant must interface with existing code base and have the ability to develop views, convert and export data. Candidate must be able to learn existing codebase and business terms quickly.

2.1 **Data Conversion:** Five separate databases remain to be converted to Justware; three from Time Matters and two from the Contracts application, CACE. 4. Rental vehicles may only be used if such use would result in an overall reduction in the total cost of the trip, not for the personal convenience of the traveler.
 - 4.1 Purchase of comprehensive and collision liability insurance shall be at the expense of the contractor. The County will not reimburse contractor if the contractor chooses to purchase these coverages.
 - 4.2 Rental vehicles are restricted to sub-compact, compact or mid-size sedans unless a larger vehicle is necessary for cost efficiency due to the number of travelers. (NOTE: contractors shall obtain written approval from County prior to rental of a larger vehicle.)
 - 4.3 County will reimburse for parking expenses if free, public parking is not available within a reasonable distance of the place of County business.

5. Contractor is responsible for any other miscellaneous personal expenses, as they are included in contractor's lodging and per diem expenses.
6. The County will reimburse any allowable and allocable business expense, excluding health club fees and business class air fares, except as indicated in paragraph 3, above.
