

Briefing Notification to County Manager

Prepared by the Maricopa County Environmental Services Department

Environmental Services
Department

Case #/Title: ES-2013-003: Revision to Maricopa County Environmental Health Code – Food Service Worker

Supervisor Districts: All Districts

Overview: Chapter 7, Food Service Workers

- Food Service Worker Limited Use Card – Revise Chapter 7, Regulation 7, to include a new Food Service Worker Limited Use Card. This card would reasonably accommodate a food service worker with disability who requires special training based on their capabilities. Such Food Service Workers who are unable to take the test to obtain a card are provided classroom training with no test requirement.
- Food Service Worker Card Exemption – Revise Chapter 7, Regulation 7, to correct exemption language. To provide consistent enforcement of the regulation, change language from packaged “or” non-PHF to packaged “and” non-PHF. *Note: Also, in keeping with revisions requested in ES-2013-004, change “PHF” to “TCS.”*

Next Steps: Public Stakeholder Workshop – Tentative, March 6, 2013

Board of Health Public Meeting – April 22, 2013

Amendment will follow Enhanced Regulatory Outreach policy and workflow process.
