The Maricopa County Environmental Services Department will host an initial Stakeholder Meeting to introduce, discuss, and obtain preliminary input regarding a proposed new code revision to the Maricopa County Environmental Health Code. The subject matter to be discussed at the March 6<sup>th</sup> Stakeholder Meeting includes:

**Case #/Title:** ES-2013-003: Food Service Worker

**Overview:** Chapter 7, Food Service Workers

- Food Service Worker Limited Use Card – Revise Chapter 7, Regulation 7, to include a new Food Service Worker Limited Use Card. This card would reasonably accommodate a food service worker with disability who requires special training based on their capabilities. Such Food Service Workers who are unable to take the test to obtain a card are provided classroom training with no test requirement.
- Food Service Worker Card Exemption – Revise Chapter 7, Regulation 7, to correct exemption language. To provide consistent enforcement of the regulation, change language from packaged “or” non-PHF to packaged “and” non-PHF.

Additional information about this proposed revision and the current Maricopa County Environmental Health Code are available at: <http://www.maricopa.gov/regulations/>. Also, you may submit comments at: <http://www.maricopa.gov/regulations/comments.aspx>.

Thank you for your participation.
