---

The Maricopa County Environmental Services Department (MCESD) will host a **follow-up** Stakeholder Meeting regarding proposed code revisions to the Maricopa County Environmental Health Code (MCEHC) described herein. Detailed code revision language incorporating previous stakeholder input will be presented and reviewed.

**Case #/Title:** ES-2013-006 (Confectionary Food Establishment)  
ES-2013-009 (FDA Food Code Reference Amendment)

**Overview:** Revisions to MCEHC Chapter VIII

MCESD will discuss the similarities and differences between ES-2013-006 and ES-2013-009.

The case ES-2013-006 revision will create a new permit (and applicable plan review and permit fees) to allow a business that has expanded beyond the home kitchen and only produces not potentially hazardous baked or confectionary goods. The specific regulations for case ES-2013-006 are displayed in the Board of Health (BOH) staff report at <http://www.maricopa.gov/regulations/es/pdf/meetings/42814staff.pdf>

The case ES-2013-009 revision will align the MCEHC with A.R.S. § 36-136 and eliminate a conflict with the 2009 FDA Food Code that disallows food prepared in a private home from being offered for human consumption in a MCESD permitted food establishment. There are no associated fee changes. The specific regulations for case ES-2013-009 are displayed in the BOH staff report at [http://www.maricopa.gov/regulations/es/pdf/meetings/061114\\_009staff.pdf](http://www.maricopa.gov/regulations/es/pdf/meetings/061114_009staff.pdf)
