---

The Maricopa County Environmental Services Department will host an initial Stakeholder Meeting to introduce, discuss, and obtain preliminary input regarding a proposed new code revision to the Maricopa County Environmental Health Code (MCEHC). The subject matter to be discussed at the Stakeholder Meeting includes:

**Case #/Title:** ES-2013-006/Confectionary Food Establishment

**Overview:** Revisions to MCEHC Chapter VIII

This proposed revision would create a new permit (and applicable plan review and permit fees) to allow citizens of Maricopa County to prepare bakery and confectionary items for direct sale to consumers and wholesale to other permitted food service establishments within Maricopa County. The permit definition would establish these food items as an approved food source for sale by other permitted food establishments in Maricopa County.
