Subject: SUP Permit Case # Z2020011/Eagletail Airstrip
Date: Thursday, July 16, 2020 11:10:18 AM

Dear Mr. Watkins:

I am Tika P. Thapa, owner of 6 lots at the Eagle Tail Airstrip. I have owned the property for over 18 years. I bought this property because of the airstrip. Although I live in Scottsdale, I enjoy visiting my property on occasions such as the air show late last year. I enjoyed meeting different people that had flown in from Yuma and other places for breakfast. I fully support the renewal of the captioned Special Use Permit. Kindly give consideration to the renewal of SUP. This airstrip has been an asset to the surrounding community for crop dusting services, emergency landing and rescue purposes. It would be greatly appreciated if you would kindly convey my thoughts to the honorable members of the Planning and Zoning Commission and the Board of Supervisors.

Best Regards.

Tika P. Thapa

Subject: Eageltail airport sup
Date: Sunday, July 19, 2020 10:44:10 AM

Attn:Sean

Morning,I am one of the owners of property at eageltail air park and would like to voice my support of the sup :z2020011 being approved.We purchased the partial needing a local runway to fly off of to service the local farmers in the area.It would be devastating to the land owners at eageltail if the sup was not approved by destroying their property values plus their ability to pursue their own aviation desires.I respectfully request that you renew our special use permit #:z2020011.

Thank you. Larry smith,owner trirotor ag services

Subject: Renewal of Special Uuse Permit Case #Z2020011
Date: Thursday, July 16, 2020 7:37:38 PM

Dear Mr. Watkins,

Please accept this email as my support for the renewal of Special Use Permit Case #Z2020011 for the Eagletail Airstrip. I have owned property within this development for 15 years, and I have enjoyed the benefits of the airstrip. The airstrip also provides valuable support to our local agricultural community as a base of operations for crop dusting service.

The airstrip has been used for search and rescue and emergency services a few times over the years. This airstrip is appropriately located and a valuable asset to the community.

Please pass along my comments to the members of the Planning and Zoning Commission and the Board of Supervisors.

Sincerely,
Michael Rothery
