Subject: Special Use Permit Case #:Z2020011 for the Eagletail Airstrip.

Dear Mr. Watkins,

Please accept this email as my support for the renewal of Special Use Permit Case #:Z2020011 for the Eagletail Airstrip. I have owned property within this development for 16 years, and I enjoy the benefits of the airstrip. The airstrip also provides valuable support to our local agricultural community as a base of operations for crop dusting service. The airstrip has also been used for search and rescue and emergency services a few times over the years. This airstrip is appropriately located and a valuable asset to the community.

Please pass along my comments to the members of the Planning & Zoning Commission and the Board of Supervisors.

Sincerely,

Glenn Marion
