Continuance Agenda: Items listed on the Continuance Agenda are items that are recommended for continuance by staff with concurrence from the applicant. These items will not have a hearing at this time, but shall be moved for continuance either indefinitely or to a date-certain. Those items that are continued indefinitely will require new notification.

Consent Agenda: Items listed on the Consent Agenda are considered routine by the Board and may be enacted in one motion. Any item on the Consent Agenda may be removed from the Consent Agenda and placed on the Regular Agenda for public hearing if a Board member or a citizen so desires.

Code Compliance Review: Staff will present the appeal from the decision of a Hearing Officer to the Board. After any questions from the Board, the appellant will be permitted to present the basis for the appeal. On an appeal the Board is limited to affirming the decision of the hearing officer or remanding the matter due to a procedural error. Therefore, the presentation by the appellant should be limited to demonstrating a procedural error that warrants a remand for a new or supplemental hearing before the hearing officer.

Regular Agenda: Items listed on the Regular Agenda are items that receive a full hearing. Staff will give a brief presentation and after question from the Board, the applicant will be permitted to present the merits of their case. The applicant's justification should demonstrate that owing to peculiar conditions relating to the subject property, a strict interpretation of the ordinance would work an unnecessary hardship, and that granting of the variance would not damage the intent and purpose of the zoning ordinance.
