Re: Support for Case BA2022044

Dear Board of Adjustment,

I am writing this letter to express my support for the variance request at 7521 Lakeside Ln. As a neighboring property owner, I would like to see renovation of this residential home and don't believe that the variance request will bring any negative effects to the neighborhood.

I have reviewed the proposed plans and think it will benefit the neighborhood. The variance request will allow this property to remain consistent with a substantial number of lots in the neighborhood

I do not think that the variance request will affect me or my neighbor's day-to-day living. Rather, the renovations to the property will be complimentary to the surrounding neighborhood. I would like to see variance approved.

Sincerely,

TERRY KELMAN
