## Food Establishment Permit Types, Class, and Inspection Frequency

Permit Type	Class	Inspection Frequency	Brief Description
Adventure Food Service	4	3	Means and refers to a food establishment that operates in conjunction with a trail ride or similar type activity and prepares or serves food to participants.
Bakery	2	2	Any place in which is carried on the process of mixing, compounding, cooking, baking, or manufacturing any bakery product. A bakery is a food establishment that exclusively prepares bakery items for immediate service on the premises, directly to a consumer, and/or for resale or redistribution by a retail food establishment.
Boarding Home	2	2	Means a transient dwelling establishment that also operates a food establishment where food is provided to patrons along with resident accommodations: (a) Class 2 - operations with only limited preparation of menu items. (b) Class 5 - operations with advanced preparation or where the consumers specifically include populations highly susceptible to foodborne illness.
Boarding Home	4	3	
Bottled Water & Beverage Plant	2	2	A food establishment in which is carried on the process of bottling, canning or packaging any beverage for human consumption.
Commissary	2	2	Means a food establishment that acts as a base of operation for a mobile food establishment, food vending establishment or an adventure food establishment. (a) Class 2 – provides only pre-packaged food items. (b) Class 4 - provides pre-packaged food items and facilities for food preparation.
Commissary	4	3	
Damaged Food	4	3	A food establishment that specializes in the recovery, redistribution or resale of damaged food.
Day Care Food Service	3	3	A food establishment, which prepares food for immediate service on-site or directly to a consumer where the consumers are facility staff and daycare children.
Eating & Drinking 0-9 or 10+ seating	2	2	A food establishment, restaurant, or bar that prepares food and has a seating capacity of either 0-9 seats or more than 10 seats. Quick service operations with only limited preparation of menu items or as approved by the Department.
Eating & Drinking 0-9 or 10+ seating	3	2	A food establishment, restaurant, or bar that prepares food and has a seating capacity of either 0-9 seats or more than 10 seats. Quick service operations with advanced preparations of 2 or less menu items as approved by the Department.
Eating & Drinking 0-9 or 10+ seating	4/5	3/4	A food establishment, restaurant, or bar that prepares food, has a seating capacity of between 0-9 or more than 10 three or more menu items as approved by the Department. Class (5) quick or full service operations where the consumers specifically include populations highly susceptible to foodborne illness or as approved by the Department

Permit Type	Class	Inspection Frequency	Brief Description
Eating & Drinking Service Kitchen	2	2	Means and refers to a food service establishment that operates in conjunction with a permitted food establishment and shall be operated and maintained in compliance with the appropriate provisions of the code.
Food Bank	2	2	A food establishment that operates in conjunction with an organization such as a charity that provides food, acquired through purchases or donations, and offers the food directly to a consumer.
Food Catering	5	4	A food establishment where a pre-arranged number of meals and/or food products are prepared at one permitted premise for immediate service and consumption at another pre-arranged location.
Food Jobber	2	2	A wholesale food establishment in which food, not manufactured on the premises, is offered for sale for human consumption.
Food Production	2	2	A food establishment that manufactures, packages, labels, or stores food for human consumption. (a) class 2 – operation with only limited preparation of food items. (b) Class 4 – operation with advanced preparation of food items.
Food Production	4	3	
Ice Manufacturing Plant	2	2	Any food establishment, together with the necessary appurtenances, in which ice is manufactured or processed, and stored, packaged, distributed or offered for sale for human consumption, or for use in which it may come into contact with food equipment or utensils, or with food or beverage intended for human consumption.
Meat Establishment	4	3	A store or shop at the retail level in which meat, meat products, fish, poultry, game animal, or molluscan shellfish are processed, prepared, stored, sold or offered for sale. Preparation by means of cooking shall be limited to the production of meat, meat products, fish, poultry, game animal, and molluscan shellfish for consumption off the premises.
Micro Market	1	1	Means an unattended retail food establishment where commercially prepackaged, time/temperature control for safety foods or ready-to-eat fruits and vegetables are offered for sale.
Refrigerated Warehouse	2	2	Any place, other than a restaurant, store, home or eating establishment with refrigerated space exclusively for its own use, providing refrigeration and refrigerated storage service to the public with facilities to cool and keep food other than fresh unprocessed fruits and vegetables at a temperature at or below 41°F. (5°C.).
Retail Food Establishment	2	2	An operation that sells only pre-packaged food that requires time/temperature control for safety and/or bulk food that does not require time/temperature control for safety.

Permit Type	Class	Inspection Frequency	Brief Description
Retail Food Establishment	3	2	An operation that sells pre-packaged food that requires time/temperature control for safety, bulk food that does not require time/temperature control for safety and/or produce that is washed, portioned, and/or packaged for retail sales.
Vending Machines	2	2	Means a self-service device that, upon insertion of a coin, paper currency, token, card, or key, or by optional manual operation, dispenses unit servings of FOOD in bulk or in packages without the necessity of replenishing the device between each vending operation.

## Permit Types, Class, and Inspection Frequency For Mobile Food Establishments\*

Permit Type	Class	Inspection Frequency	Brief Description
Mobile Food Type I – 1 Year	2	2	Means a food establishment that dispenses commercially processed, individually packaged foods and/or non-time/temperature control for safety (non-TCS) beverages.

Annual Event Food Establishment permits are issued for one (1) year to vendors operating at multiple Department-approved events: (a) Seasonally themed operations in major shopping malls as approved by the Department. (b) Seasonal operations such as spring training, state fair, etc. or as approved by the Department.

Environmental Services  
Department

Temporary Food Establishment	1	1	Means a food establishment that operates in conjunction with one event that operates for fourteen (14) days or less.
------------------------------	---	---	--

### Notes:

More frequent inspections may occur based on performance, complaints, food service to highly susceptible populations, and hazards associated with particular foods.

Permit class categories are subject to re-evaluation based on the activities that occur within an establishment.

\*Mobile Food Establishment” means a food establishment that is readily movable and is dispensing food/beverages for immediate service and consumption from any vehicle or other temporary location or facility.
