How do I schedule an inspection?

To schedule by telephone, call 602-506-3692. Have your permit tracking number and the inspection code / number ready. Don’t forget to schedule inspections for related or “Go To” permits.

To schedule online, visit https://accela.maricopa.gov/CitizenAccessMCOSS/ Enter your permit tracking number and select the appropriate inspection.

If you call or schedule BEFORE 2:30 p.m., an inspector will be onsite the following business day.

If scheduled on Friday before 2:30 p.m., it will be a Monday inspection, if Monday is not a recognized holiday.

If you call to schedule on a Friday after 2:30 p.m. or at any point over the weekend, the inspection will be set for Tuesday. If Monday is a holiday, then the inspection will be Wednesday.

Our focus is to provide safe and timely services for the citizens of unincorporated Maricopa County so they may responsibly develop and enjoy real property.
IMPORTANT:

- Permit **expires 180 days** from the date issued or the last approved inspection.
- The permit is to be **posted & visible** from the street.
- A Zoning Clearance is for the sole purpose of the subject construction listed on the permit and does NOT convey the approval of any construction of structures that are not the subject of the issued permit.
- Failure to secure the required final inspections is a violation of the Maricopa County Zoning Ordinance & Drainage Regulations.

- Roof-Mounted Solar PV system
- Wall Mounted Sign
- Minor Electrical *(upgrade or replacement)*
- Gas Line Repair *(if a yard line, schedule 819 first before covering/filling line)*

Re-Inspection Fees

To avoid re-inspection fees, please be sure of the following:

- Have the permit POSTED in a conspicuous location for the inspector and visible from the street
- Have the APPROVED plans onsite
  - Ensure ACCESS
  - Secure pets
- Be ready—have that portion of the work complete for the inspection scheduled.

Inspections are conducted between 8:00 AM and 2:00 PM. Inspection times cannot be guaranteed.
