Use this form to update the types of contacts listed below. **You may select more than one contact type per update box.**

Types of Contacts

- **On-Site Operator Contact:** This representative is the designated contact for the facility. They will be contacted when department staff arrives on-site.
- **Property Owner Contact:** This is the business owner/responsible official who will receive correspondence regarding any compliance, violation, or enforcement documents.
- **Permitting Contact:** This representative will handle all permit related questions, and may or may not be located on-site. This representative will also receive routine documentation sent by the department, such as permits and renewals, and will also handle billing and invoicing if there is not a designated billing contact. This contact may also assist the facility with asbestos inquiries and emissions inventory processing.
- **Billing Contact:** If the facility has a designated representative for all billing and invoicing, please provide the contact information for this individual.
