DENTIST PAYMENTS

The **Delta Dental PPO plus Premier plan** leverages the PPO and Premier networks. This provides all the benefits of Delta Dental PPO plan with a plus-members that visit a dentist in the Premier network still receive the benefit of that dentist's contracted fee.

- **PPO Dentist** -- These in-network dentists agreed to accept lower reimbursement for services so members save the most money.
- **Premier Dentist** -- These in-network dentists also accept discounted reimbursement for services, but their discount is not as steep.
- **Out-of-Network Dentist** -- These dentists have not agreed to discount their rates for service, so members who see an out-of-network dentist will have the highest out-of-pocket costs. Members are responsible for paying the full fee charged by the dentist and can submit for reimbursement at the non-participating table of allowance.

Services should be provided by dentist located in Maricopa or Pinal counties only.
