Shared CROMERR Services (SCS) Electronic Signature Registration Form

Please complete this form only if your organization/company was not found when creating an electronic signature on the Environmental Protection Agency Shared CROMERR Services (SCS) electronic reporting site. Individual consultants and performance testing companies must register themselves as an organization/company before beginning the process of creating a SCS electronic signature. After the initial registration is completed, consultants and performance testing companies can request access to each additional organization/company as required.

Do not fill out this form if your organization/company already has a current permit with the Maricopa County Air Quality Department (MCAQD). Please contact MCAQD for assistance at 602-506-7833 or AQDImpact@maricopa.gov.

You will not have access to complete tasks in the AQD Online Portal (IMPACT) until this information is received and processed by MCAQD. This completed form can be emailed to AQDImpact@maricopa.gov. Within three business days after receipt, you will receive an email with instructions to proceed with creating your SCS electronic signature, after which you will be able to access the AQD Online Portal.

Please note: all organizations/companies must be registered with the Arizona Corporation Commission (ACC) and be in good standing before submitting this registration form. See the [ACC website](#) to search for your organization/company information and ACC entity ID.
