

Managing your medications online

optumrx.com is a fast, easy and secure way to get the information you need to make the most of your prescription benefit.

Website features and tools

Log into **optumrx.com** and you will be able to:

- Refill and renew home delivery prescriptions through OptumRx®
- Search for drug prices and view lower-cost alternatives
- Transfer retail prescriptions to home delivery
- Track your OptumRx Home Delivery orders
- View your claims history
- Enroll in text message reminders
- Manage medications for spouses or dependents you have access to
- View your real time benefits

You can save time, money and improve your health

- **Save time** — By ordering medications you take regularly online, you make fewer trips to the pharmacy and avoid waiting in line to pick up your medication.
- **Save money** — You can order up to a 3-month supply of your medication. Orders are sent using free standing shipping.

My medication reminders

Set up text message reminders to help you remember when to take your medication. Text message reminders have been shown to improve medication adherence in persons taking long-term or maintenance medications.¹

1. Adherence rates quantified using OptumRx internal data for oral anti-diabetic medications among Medicare Part D Beneficiaries, May 2012.

OptumRx specializes in the delivery, clinical management and affordability of prescription medications and consumer health products. We are an Optum® company — a leading provider of integrated health services. Learn more at **optum.com**.
