In the event Contractor is unable to complete an assignment and is allowed to withdraw, Contractor immediately shall report the circumstances to OPDS so that OPDS may appoint replacement counsel. OPDS may require Contractor to account for the time Contractor has actually expended and to return all or part of the payment for the representation where appropriate.
- D. Continuing Representation. Contractor has a continuing duty to represent the Client until the court has terminated the representation. Termination of the contract by either party does not terminate the Contractor's duty to provide services in those cases assigned prior to the effective date of termination.
- E. Removal for Failure of Performance. Contractor shall notify OPDS if any non-contract counsel enters an appearance on behalf of a client alleged to be delinquent on a Knapp v. Hardy or other basis.

J. Substitute Performance. This is a personal services contract between Contractor and the County. Contractor may, on occasion, allow substitute counsel to appear in court on behalf of the contractor. The substitute counsel must be an attorney who holds a contract with OPDS similar to the contractor's contract. If the substitute counsel represents another party in the case, the contractor shall not be paid for the appearance. In the event that one attorney appears for more than one party in the case, only one payment shall be made. OPDS will honor the first invoice received. Any other substitute counsel must be approved in advance by the Contract Administrator. Notwithstanding the foregoing, the Contractor shall remain primarily responsible for the performance of the contract.

K. Requests for Expenditures. A copy of the approval must be given to the approved vendor for its billing purposes prior to the commencement of any work. If an approved vendor exceeds the OPDS approved amount for the expenditure, OPDS is not obligated to pay any such overage and it becomes the personal responsibility of the Contractor. When billing for reimbursement, receipts for all expenses must be included. All expenses must be approved by OPDS prior to being incurred. Bills for expenses incurred prior to approval by OPDS may not be honored or ratified.

OPDS will not reimburse Contractor for office supplies, secretarial or other staff services, transcripts of witness interviews or any other type of expense that involves the general cost of doing business including, but not limited to, long- distance telephone calls, unless approved in advance by the Contract Administrator as an extraordinary expense. **OPDS will not provide mileage reimbursement for travel within Maricopa County.**

L. Investigators. Contractor shall submit for approval by the Contract Administrator any request for appointment of an investigator. Contractor will be responsible for reviewing and certifying the investigator's billings prior to payment by OPDS. **Failure to obtain prior approval for the work of an investigator will result in non-payment and the debt shall become the personal responsibility of the Contractor.**

Conducting witness interviews arranged by the prosecution is not the responsibility of the investigator. Conducting these interviews is the responsibility of the assigned lawyer unless the lawyer cannot be present due to illness or other unforeseen emergency. ~~Then, and only then, will investigators be permitted to bill for the time spent conducting this type of interview.~~

~~M. Mitigation Specialists. In capital cases only, Contractors may submit for preliminary approval by the Contract Administrator a request for appointment of a specific mitigation specialist. - P. Compliance with Law. Contractor will comply with all laws, including rules and regulations of all governmental accrediting and regulatory authorities, including the State of Arizona, relating to the licensure and regulation of attorneys. In the event the Contractor is suspended by the Arizona State Bar, on an interim or other basis, Contractor must immediately notify OPDS of this suspension so that appointment of cases may be stopped. Failure to comply with such notice will result in termination of Contractor's contract(s).
- Q. Technological Equipment. Contractor must possess the following equipment to meet the needs of OPDS appointment protocol:
1. Desktop or laptop computer,
  2. Microsoft Office Suite Software and Adobe Reader; and other software as might be needed to allow contractor to conduct business electronically with OPDS,

- S. Monthly Case Logs. All case logs must be returned via e-mail to OPDS by the date designated by OPDS. This includes all changes to case dispositions and hours-to-date. Failure to submit case logs by the designated date may result in the withholding of Contractor's monthly contract payment or other payments made by the department on a case-by-case basis until such documentation is provided.
- T. Reporting and Billing periods. Any claim for services must be submitted within 6 months of the service.

The approval of such expenditures is the exclusive province of the Maricopa County Board of Supervisors at the time of the adoption of the budget.~~

- B. Court Reporters. Only appellate and post-conviction relief transcripts are paid directly by OPDS. Any other use of court reporters or transcriptionists must be approved in advance by way of a Request for Expenditure of Funds. It is the Contractor's responsibility to deliver the approval to the appropriate, approved vendor. If transcripts are requested during a trial (to impeach a witness, etc.), the court reporter should be informed that the request is for a transcript of the testimony only and that OPDS will pay the standard rate.  
  
If a motion for a new trial is granted, the ~~County Attorney~~ **prosecutor** and all defense counsel should share the cost of the transcript of the original trial. RUSH (delivery within 5 days) and EXPEDITED (delivery within 10 days) transcription requests are strongly discouraged and likely to be rejected absent unforeseen exigent circumstances. OPDS requires that Contractor justify such requests with an explanation as to why additional expense was unavoidable. If the necessity for rush or expedited charges is the result of delay on Contractors part, Contractor will be required to pay any charges beyond the reporter's standard page rate.
- C. Audio and Video Tape Transcription. Transcriptions of tape recorded interviews must be approved in advance. The transcription will be done by a vendor approved by OPDS. It is the responsibility of each Contractor to make the request for approval and to deliver the tapes in time to take advantage of the Regular delivery rate of 20 calendar days. The Expedited delivery rate of 10 calendar days and the Rush delivery rate of 1 day will not be approved absent extraordinary circumstances.
- D. Travel. All travel for contractors, witnesses or expert witnesses must be pre-approved and scheduled or authorized through OPDS.
- E. Identification Badges. Identification badges are available to Contract Counsel at no charge.
