

Would you like to make a difference in YOUR community?

Maricopa County Human Services Department (MCHSD) is now looking for new members to join the Community Services (CS) Commission Advisory Board! You can help address the conditions of poverty, assist low-income families and individuals in becoming self-reliant and improve their socio-economic conditions by joining our Commission Advisory Board.

We are looking for nominees who have a sincere interest in the needs of low-income people. Board members participate in agency planning and program development, implementation and evaluation. Candidates must live in Maricopa County (excluding Phoenix, Mesa and Glendale), but they do not have to be low-income themselves to be a community representative.

The CSBG Commission Advisory Board is composed of three (3) Board Membership Sectors:

1. Consumer Sector
2. Private Sector
3. Public Elected Official Sector

The Commission meets every two months, typically the third Monday of the month from 6PM – 8PM at MCHSD's downtown Phoenix office. The schedule is subject to change every fiscal year, but remote participation is available.

If you feel that you would be a good candidate for this Commission Advisory Board and would like to become involved, we encourage you to contact the Commission Board Liaison at
