Pavement Rehabilitation - Sun Lakes

The Maricopa County Department of Transportation (MCDOT) will be removing the old roadway surface (milling) and replacing it with new asphalt pavement (paving) in Sun Lakes April through July 2022.

Please watch for restricted lanes as you travel through the area, obey traffic control signs, and slow down in work zones.

Work Schedule:
Work Hours - 7:00 a.m. to 7:00 p.m. - Monday-Friday
(No work on holidays - Occasional weekend work may be required)
Project schedule and locations updated weekly

** Schedule is subject to change for reasons beyond MCDOT’s control, including: weather, equipment failure, illness or other circumstances. **

**WARNING: The materials used during the paving process contain oils that will stick to vehicles, tires, driveways, shoes, and clothing, and is not easily removed. Wait for crews to clear the work zone before driving or walking on the new pavement.**
