Application for A312G under Arizona Administration Code

Title 18, Ch.9

- G. Alternative design, installation, or operational features. When a person submits a Notice of Intent to Discharge, the person may request that the Department review and approve a feature of improved or alternative technology, design, setback, installation, or operation that differs from a general permit requirement in this Article.
1. The person shall make the request for an alternative feature of technology, design, installation, or operation on a form provided by the Department and include:
 - a. A description of the requested change;
 - b. A citation to the applicable design, installation, or operational requirement for which the change is being requested; and
 - c. Justification for the requested change, including any necessary supporting documentation.
 2. The person shall submit the appropriate fee specified under 18 A.A.C. 14 for each requested change. For calculating the fee, a requested change that is applied multiple times in a similar manner throughout the facility is considered a single request if submitted for concurrent review.
 3. The person shall provide sufficient information for the Department to determine that the change achieves equal or better performance compared with the general permit requirement, or addresses site or system conditions more satisfactorily than the requirements of this Article.
 4. The Department shall review and may approve the request for change.
 5. The Department shall deny the request for the change if the change adversely affects other permittees or causes or contributes to a violation of an Aquifer Water Quality Standard.
 6. The Department shall deny the request for the change if the change:
 - a. Fails to achieve equal or better performance compared to the general permit requirement,
 - b. Fails to address site or system conditions more satisfactorily than the general permit requirement,
 - c. Is insufficiently justified based on the information provided in the submittal,
 - d. Requires excessive review time, research, or specialized expertise by the Department to act on the request, or
 - e. For any other justifiable cause.

PERMIT APPLICATION PROCESS NOTICE
Subdivision Infrastructure and Planning Program

- 1) Steps required to obtain an Approval for Alternative Features (A312G) are as follows:
 - i) Submission of the complete application for Approval To Construct along with all relative items in the application check list on the Cover/Transmittal Page of the application. When the review is complete, an Approval To Construct certificate will be issued to allow construction of the system to commence.
 - ii) Construction of the project.

- 2) The Department will approve or deny the application in the number of business days listed below or less, excluding any days the application is returned to the applicant for additional information. This overall licensing timeframe is set by the Arizona Department of Environmental Quality (ADEQ) as required by A.R.S. §11-1605 and is part of the Delegation agreement between ADEQ and Maricopa county.

Permit	Overall Timeframe (Business Days)
<i>Alternative Features</i>	
Standard	95

- 3) Department contact information regarding your application
 - i) Telephone: 602-506-1058
 - ii) E-mail: subdivision@Maricopa.gov
 - iii) Website: www.maricopa.gov/EnvSvc/WaterWaste

- 4) You may request a clarification from the Department of its interpretation or application of a statute, ordinance, regulation, delegation agreement or authorized substantive policy statement as provided in A.R.S. §11-1609. Contact us by e-mail or telephone, or in person or mail at the address listed at the top of the page, marked attention Subdivision Infrastructure & Planning Program.
