

scavenger HUNT

Occupational Safety Month June 2022

12 Items

How many Items can you find and complete for the June Wellness activity? You only need to complete 5 items to submit and be entered in for the prize drawing, BUT if you complete 10 or more you get two entries entered in for the prize drawing.

1

Screenshot from Resource Library

Do you know how to find the resources Risk Management has available? Take a screen shot of the "Hazard Evaluation Tools" page in RMD Resource Library.

4

First aid kit

Do you know where your first aid resources are? Take a photo of your office first aid kit.

3

Assembly area

Do you know where to go in the event of an emergency evacuation? Take a photo of your department's assembly area for emergency evacuations.

2

Sign-in Sheet

Is your department's safety committee underway? Make a copy of the sign-in sheet from the last safety committee meeting your department held.

5

Evacuation Map

You may know where to go in an emergency evacuation but do you know how to get there? Take a photo of your office evacuation map posted in the work place.

6

Home Safety Item

Still teleworking? That's ok, take a photo of a safety item you have in your home- i.e. fire extinguisher, smoke detector/alarm, or other items.

7

Toolbox Talk

Do you think it's time to do a safety talk? Conduct a toolbox talk and send in the sign-in sheet or a photo. Need a topic, don't worry you can find hundreds of them on the Risk Management Resource Library!

10

PPE

What PPE is needed in your work place? Find a co-worker wearing the proper PPE for the task & take a photo of them and send it in.

9

Vehicle Inspection

Getting ready to drive a vehicle for work? Conduct a vehicle inspection and send in the completed form or a photo of the form.

8

Teams Channel

Completed your toolbox talk? Great! Head over to the Risk Management Teams channel and type in something you learned from it.

11

Heat App

It's HOT, we know! But are you staying safe and know what to do if heat illness sets in? Take a screenshot of the OSHA Heat Stress app installed on your phone.

12

Ladder Safety App

Thinking about using a ladder or maybe you already did? How safe was it? Take a screenshot of the NIOSH Ladder Safety app installed on your phone.

13

FINISHED!

Did you complete 5 or more items? Maybe you got all 12 and will get double entries! Submit your finished scavenger hunt to the Wellness Team at wellness@maricopa.gov and be entered into the prize drawing.
