

Keepin' It Real

Focus Age Group: 7th Grade

Number of Lessons:

10 week, 10 lesson program/40-45 minutes

Cost:

Soon to be published, price not listed

Meets the Following State Standards:

Information not available

Objectives of Curriculum:

The program teaches youth how to live drug-free lives confidently, drawing on their strengths and the strengths of their families and communities. The strategies prepare kids to act decisively and comfortably in a difficult situation. Students learn how to recognize risk, value their perceptions and feelings, and make choices that support their values.

Curriculum Contents:

- Keepin' It Real Teacher's Manual
- Keepin' It Real Video- Refuse, Explain, Avoid, Leave
- In Class Worksheets
- Homework Sheets
- Overheads
- All Materials Available in Spanish
