### **Qualifications for Comprehensive Dust Control Training:**

- Be certified to determine opacity as visible emissions
- Be authorized by the owner and/or operator of the facility to have full authority to ensure that fugitive dust control measures are implemented on-site and to conduct routine inspections, recordkeeping, and reporting to ensure that all fugitive dust control measures are installed, maintained, and used in compliance with this rule.
- All persons having successfully completed training during the 2006 and 2007 calendar years shall be deemed to have satisfied the requirement to successfully complete the Comprehensive Dust Control Training Class, if the training that was completed was conducted or approved by the Control Officer or Completion of the Comprehensive Dust Control Training Class.

### **Qualifications for Basic Dust Control Training:**

All persons having successfully completed training during the 2006 and 2007 calendar years shall be deemed to have satisfied the requirement to successfully complete the Basic Dust Control Training Class, if the training that was completed was conducted or approved by the Control Officer or Completion of the Comprehensive Dust Control Training Class.

### **Classroom Info:**

Room 560 is on the 5<sup>th</sup> Floor. Take the elevator to the 5<sup>th</sup> floor and turn left then left again, classroom is on the right.

9th Floor Classroom: Take the elevator to the 9<sup>th</sup> floor, make a left, classroom is 2 second door on left.

### **Parking Information:**

#### **PARKING IS LIMITED. PLEASE SHARE A RIDE IF POSSIBLE.**

Please ensure that you are parking in the right space when you arrive for training.

Here are suggestions on where to park for those attending training classes:

Just east of the building, there is a parking garage. You may park on the east roof of the parking garage. \*Open parking spaces on the second level marked "Visitor" are limited

For larger vehicles it is recommended to park in the parking lot north of the parking garage are available

\*Note: Do not park facing west where the parking spaces say "RESERVED" with white writing inside a box with black letters. These spaces are reserved specifically for employees in the building.
