Our most used feature is now on the landing page! Simply log in to view your ID card, show it at the dental office, or email it to a dependent or dentist.

TIP: Use the Save to Home button  to save your ID card on your device to access without logging in.

My Coverage and Claims

Simply click My Coverage on the main menu to check your coverage information or see claims status. Within the coverage section, you can review your plan type, benefit levels and contact information for your Delta Dental company, as well as details on your deductibles and maximums.

Within the claims section you can check the status of your most recent dental claims. Click on a specific claim to view details of that visit with the option to email the claim information.

TIP: To check coverage and claims for a dependent, click the Find Dependent Information button from the Overview page and enter name and date of birth. You'll then be able to view Overview, Details and Claims information for that dependent.

New Feature! Dental Care Cost Estimator

Find out what to expect with our Dental Care Cost Estimator. Our easy to use tool provides estimated cost ranges for common dental care needs for dentists in your area. See what dentists charge both in and out of network for the most common dental treatments. Your benefits may pay a portion of that cost, and you may also be required to pay a portion of the cost yourself. *(Please note: not available in all geographic areas.)*

Find a Dentist

Search for dentists and specialists in your area that have the qualities that matter most to you. Find an office close to work or home, and filter by gender, language spoken or accessibility features. Once you've found a dentist that fits your needs, save your dentist to your contacts, call to schedule a visit or navigate directly to their office with the touch of your finger.

TIP: Our tool defaults to your plan network (when logged in) and General Dentist to make searching for an in-network dentist simple. You can also choose to use your device's GPS to determine your location rather than inputting a zip code, or search using your dentist's last name to see if they are in our dentist network.
