# Mission

The Mission of Maricopa County is to provide regional leadership and fiscally responsible, necessary public services so that residents can enjoy living in a healthy and safe environment.

# Vision

Citizens serving citizens by working collaboratively, innovatively, efficiently and effectively. We will be responsive to our customers while being fiscally prudent.

# Strategic Priorities

- ▶ *Maricopa County will support safe communities and neighborhoods by providing access to a timely, integrated, and cost-effective smart justice system.*
  - ▶ *Maricopa County will provide best-in-class regional services, both mandated and of concern to citizens, while coordinating with municipalities, other local jurisdictions, and community-based entities to consolidate services and avoid duplication, when applicable.*
- 

# Strategic Priorities

- ▶ *Maricopa County will deploy an effective and efficient infrastructure to implement streamlined policies and procedures to improve delivery of services and promote a healthy workplace and a fully engaged workforce.*
- ▶ *Maricopa County will be innovative in leveraging its resources, adaptive in its regulatory policies and practices, and proactive in its public relations to attract, promote, and support the growth of business enterprises to produce a vibrant and balanced regional economy.*

# Strategic Priorities

- ▶ *Maricopa County will continue to efficiently manage County resources and engage in effective fiscal planning with integrity and transparency to promote financial stability and economic prosperity for Maricopa County residents.*
- 

# FY 2017 Sources of Revenue

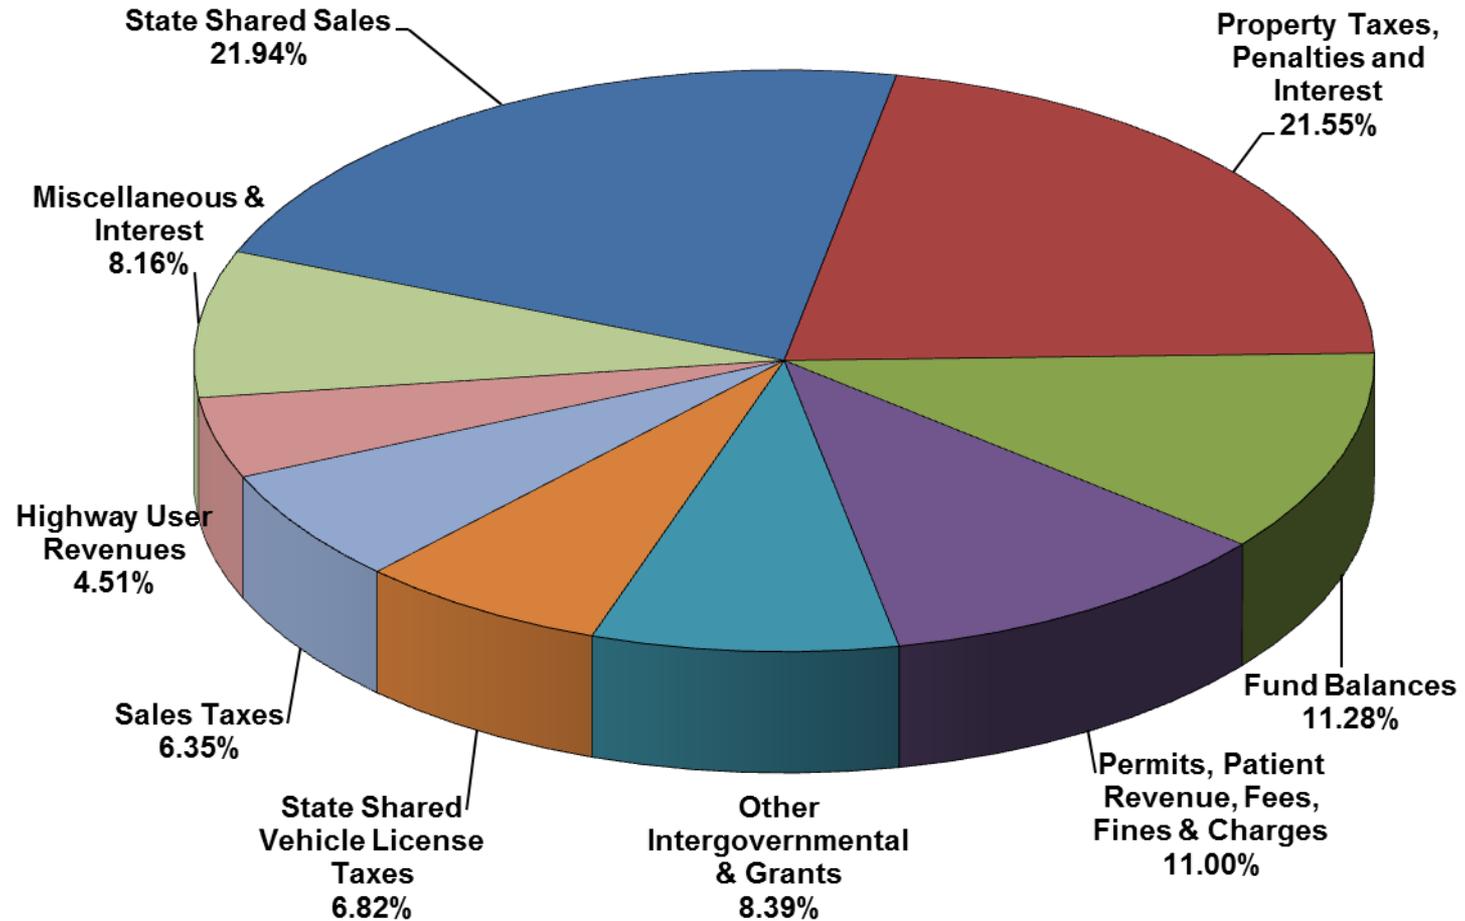

- ▶ **What are the primary sources of revenue for Maricopa County?**
  - **State Shared Sales Tax** – share of the State of Arizona’s sales tax used to fund the general operations of the County.
  - **Property Taxes** – tax on real and personal property. These funds are used for the County’s general operations.
  - **Licenses, permits, fees and charges for services** – charges to customers receiving licenses, permits or services from the County.
  - **Grants and payments from other governments**

# FY 2017 Sources of Revenue

- ▶ **What are the primary sources of revenue for Maricopa County?**
  - **State Shared Vehicle License Tax** – share of the personal property tax on vehicles collected by the State of Arizona used to fund general and transportation-related expenditures.
  - **Jail Excise Tax** – voter approved special sales tax to fund detention construction and operations.
  - **State Shared Highway User Revenue Fees** – share of the fees collected by the State of Arizona and passed through to Counties to fund construction and maintenance of streets and highways.
  - **Fund Balance** – One-time funding used for capital and technology projects.

# FY 2017 Adopted Budget

## Sources of Funds: \$2,356,007,976

# Property Values and Taxes

- ▶ Prior to the economic downturn, property values were increasing annually, reaching a high of \$58.3 billion in assessed value in fiscal year 2009
  - ▶ In addition, new construction was added to the roles each year, also increasing the assessed value to be taxed
  - ▶ Both these helped keep the tax rate down
-
