EXHIBIT A

Vendor Procedures for Envelopes

1. **Reporting Times** - All vendors will appear at Graphic Communications, Monday thru Friday, between the hours of 9 am and 12 pm, except on legal holidays or upon notice from Graphic Communications. New Requisitions will be available for quotes during these hours. At 12 pm, requisitions will be pulled and vendors who are late will not be given the opportunity to bid, and will be considered as a “No Show”. Vendors are required to submit bids on all work posted. “No Bids” are considered the same as actual bids. Any vendor not appearing between these times will be recorded as a “No Show”. **Three consecutive or Five “No Shows” within in a 30 day period will constitute grounds for removal from the contract.**
2. **Rush Bids** – Graphic Communications processes rush work requests with turn times of as little as 24 hours. In these instances it is necessary that there is a process in place for the quick contracting of these requests. Each Customer Service Representative will supply Graphic Communications with a direct line or cell number (not voice mail, menu driven or answering services) to insure that contact can be made as quickly as possible. Graphic Communications will supply the specifications of the request and ask that quotes be faxed to Graphic Communications at a time established at the time of contact. Quotes not received within the specified times will not be considered.
3. **Customer Service Representatives (CSR)** – Each vendor will assign a CSR to be responsible for compliance to the specifications of the contract. Graphic Communications will communicate exclusively with this individual on matters concerning contract compliance. CSR’s may delegate the responsibility of pick-up and delivery of specifications and quotes, but CSR representatives must have enough knowledge of the printing industry to collect specifications without interrupting Graphic Communications personnel with unnecessary questions. Also, excessive requests from CSR’s for information, not collected by their representative, is discouraged and may result in negative correspondence being added to the vendor file.
4. **Vendor File** – Graphic Communications will maintain a file on each vendor made up of all correspondence pertaining to that vendor’s performance. Letters describing outstanding effort or quality will collected as well as negative input from Graphic Communications and County customers.
5. **Samples** – Each requisition submitted for quotes will have a sample attached. **Please Do Not Remove or Deface These Samples !!!** There is a copier available for the use of the vendors. Feel free to make a copy, but leave the sample so other vendors can use it for specifications.
6. **Customer Changes** – If a customer changes the specifications after award, the vendor will get the requested changes from the customer in writing and submit it to Graphic Communications as soon as possible, along with a revised quote. Graphic Communications will adjust the contracted price.

7. **Over runs** – It is the policy of Graphic Communications not to accept or pay for over runs. Please deliver only the requested amount.
8. **Delivery** – Delivery will be made to the desk of the County customer, not Graphic Communications. If a vendor uses a delivery service, the vendor is responsible for payment to the delivery service. Vendors are also responsible for the conduct of the delivery service personnel.
9. **Quotes** – Quotes on normal requests are due back to Graphic Communications the next business day. Vendors are encouraged to submit their quotes in sealed envelopes. If you are a participating vendor on more than one contract, please separate the bids for each contract. ***Only bids submitted on the County quote sheet will be accepted.*** These sheets will be provided. Any bids submitted in another format will not be considered.
10. **Requisitions** – All contracted work requests will have a Graphic Services Stub Requisition (P-Stub). The P- Number, located in the upper right hand corner is used for tracking, and must be entered on the bid sheets and on all invoices. If an employee of Maricopa County requests work to be performed without a authorized P-Stub, it is the vendor's responsibility to direct them to Graphic Communications.
11. **Duration of Contract Awards** - Some reoccurring requests may be posted for duration of contract bid. These will be handled on a case by case basis and all qualifying vendors will be notified. Duration of contract awards can be retracted at any time during the contract period by Graphic Communications. Even though a vendor may have a duration of contract award, each time the job is requested it must be processed through Graphic Communications with a new P- Stub.
12. **Faxing of Quotes** - Graphic Communications will not accept quotes that are faxed by the vendors. If Graphic Communications determines that is is in the best interest of the County, faxing of quotes for rush bids will be authorized on a case by case basis.
13. **Vendor Eligibility** – Graphic Communications administers many contracts, requests for other services will be in the contracting area. Please review only those requisitions in your area and bid only the areas that you have contracted for.
14. **Originals** – All originals are the property of Maricopa County. All typesetting accomplished in the support of requested work become the property of Maricopa County. This includes hardcopy, negatives, electronic media or dies. Electronic media must be supplied to Maricopa County in a PDF format.
15. **Warehousing** –Warehousing of forms is not allowed unless approval is obtained from Graphic Communications before printing.
