

# The "Big Fix" Spay/Neuter Voucher Program

**KEEP THIS PAGE FOR YOUR RECORDS  
LOOK FOR YOUR VOUCHER IN THE MAIL**

**Maricopa County Animal Care Center  
(602) 506-7387  
<http://pets.maricopa.gov>**

**Thank you for being concerned about your pet's health and the pet overpopulation problem in Maricopa County.**

## **Did you know that spaying and neutering:**

- Keeps your pet healthy and helps prevent many diseases.
- Helps keep your pet at home since he/she will not have the urge to seek a mate.
- Helps ensure that no more unwanted animals are born.
- Helps with many behavior problems, such as spraying and marking territory.

## **Here is what you need to know about this program:**

**Dog eligibility:** Must be at least 3 months or 3 pounds and **Not more** than 7 years-old.  
**Cat eligibility:** at least 2 pounds and **Not more** than 7 years-old.

- 1. This program is designed for those in financial need of assistance.**
- 2. If you choose option (A) for dog or option (C) for cat, you must enclose a money order payable to "MCACC Big Fix Program" (NO CASH or CHECKS) for the total co-pay amount (see page 3) of services you have chosen for your pet(s). There are no refunds unless: you are denied a voucher or the veterinarian cites medical reasons to deny surgery.**
- 3. Once we receive you're application: The application will be processed, the voucher will be issued and mailed to your listed address (approx. 2 weeks).**
- 4. Once you have received your pet's voucher: You will have 90 days, from date of issue, to schedule a sterilization appointment with one of the contracted veterinarians identified on your voucher. This expiration date is noted on the voucher. No refunds will be made if the voucher expires. You must advise the clinic if someone other than the person listed on the voucher will be taking the pet in on the date of surgery.**
- 5. The voucher and photo ID must be presented to the veterinary clinic at the time of your pet's surgery.**
- 6. If your dog is 3 months of age or older and does not have a current Maricopa County Dog License you must purchase one within 30 days following the date of surgery to avoid additional penalty fees and possible citation. Visit our web site for licensing details at <http://pets.maricopa.gov>**

The veterinarian may choose to perform surgery on older animals, but they may need to perform additional medical procedures at the owner's expense. If the animal is discovered to be pregnant during surgery, the surgery will continue and the fetuses will not survive. Pet owner will acknowledge that the medical procedures used are standard practice and routine for large volume, low-cost spay/neuter surgeries and that under normal circumstances there is no additional risk to the pet. However, there is always a small risk in any medical procedure.

**PLEASE BE ADVISED:** Though the spay/neuter for your pet is at No-Cost to you, some veterinarians may REQUIRE the purchase of pain medications, additional vaccinations & other services, which will be at your expense. Please ask for requirements when making the appointment & remember-You may choose ANY of the veterinarians from the list, as some vets do not require the same as others. We cannot provide the list of participating veterinary clinics prior to processing your application.

**This program is not intended for Feral Cats & Animal Rescue Organizations. Thank you.**
