

**Nurse-Family Partnership Mission:**  
Empower first-time mothers living in poverty to successfully change their lives and the lives of their children through evidence-based nurse home visiting.

Nurse Family Partnership is a free, voluntary program that partners first-time moms with nurse home visitors.

After a woman enrolls, a nurse will visit her throughout her pregnancy and until her baby turns two years old.

During the visits, the nurse offers information and support to help the mother and father confidently create a better life for their baby and for themselves.

*"We love our nurse! She has never judged me, but always treated me as a person who she respected. When she respected me I could respect myself."  
NFP graduate 2012*

Healthier Community**

## What is the Purpose of the Community Advisory Board?

The purpose of the Nurse-Family Partnership (NFP) Community Advisory Board in Maricopa County is to support Nurse-Family Partnership in its mission to strengthen NFP families and the local community.

## What are the Goals of the Community Advisory Board ?

- Promote awareness and ongoing support of NFP by clearly articulating the unique qualities of the program to stakeholders including legislators and other community partners
- Facilitate networking opportunities for NFP
- Support sustainability by helping NFP identify and secure strategic and financial resources
- Assist in resource mapping to identify community services, collaborative relationships and referral sources
- Participate in strategic membership recruitment for the Community Advisory Board

*“This program has meant a lot to me and my baby. It has helped me be a great mother to my son.” NFP client 2011*

## What does a Community Advisory Board Member do?

- Identify and implement action plans to achieve CAB goals
- Discuss program needs and opportunities at quarterly meetings
- Make recommendations to NFP Nurse Supervisors
- Link NFP and community resources
- Represent NFP at community meetings and advocate on behalf of the program when needed
- Contribute to sustainability through strategic membership recruitment
