

Report to the Planning and Zoning Commission

Prepared by the Maricopa County Planning and Development Department

TO: Maricopa County Planning and Zoning Commission

FROM: Matt Holm, AICP, Comprehensive Planning Supervisor

HEARING DATE: December 11, 2014

SUBJECT: TA2014001 (Wireless Communication Facilities)

Staff recommends that Text Amendment #TA2014001 regarding wireless communication facilities be continued indefinitely. An indefinite continuance will give staff additional time to discuss the details of this proposed text amendment with wireless facilities industry leaders, and help ensure that this text amendment meets the needs of that industry, the public and Maricopa County.
